SCHEDULE “A”

1.1 **Extension**

If, for any reason except the Vendor’s willful neglect, the dwelling is not completed on or before the Closing Date, the Purchaser agrees to grant such reasonable extension or extensions of time for completion of the dwelling as may be required by the Vendor and as allowed under the Tarion Warranty Corporation ("TARION"), and the Closing Date shall be extended accordingly as provided in the Statement of Critical Dates as attached hereto in Schedule “O”. The Vendor will notify the Purchaser of any required extension(s) at the earliest possible time and shall take all reasonable steps to construct the dwelling without delay.

1.2 **Advancement**

The Vendor may at its option advance the Closing Date on one or more occasions by providing not less than thirty (30) days' notice in writing to the Purchaser of the Vendor’s intention to so advance the Closing Date. 1.3 **TARION Extension and Termination Clarification**

The provisions of TARION with respect to the extension and termination apply to this Agreement of Purchase and Sale (hereinafter referred to as "Agreement") and are described in Schedule “O” Statement of Critical Dates to this Agreement.

With respect to Realty Taxes (including local improvement charges), the same shall be estimated as if the Property had been assessed as fully completed by the relevant taxing authority for the calendar year in which the Closing Date occurs, and shall be adjusted as if such taxes had been paid by the Vendor, notwithstanding that same may not, by the Closing Date, have been levied or paid, subject however to readjustment upon the actual amount of such taxes being ascertained.

2.1.2 Subject to the Purchaser complying with all his/her obligations, a readjustment will be made by the Vendor the later of one hundred and eighty (180) days or receipt of the final assessment for Realty Taxes as applicable to the Property.

2.1.3 Purchaser shall pay any charge of the municipality in respect of creating a new separate tax account for the Property.

2.2 ***Other***

2.2.2 **Water Meter**

2.2.6 **Transaction Fees**

2.6 **Increased Levies or Taxes**

It is further understood and agreed that the Purchaser shall pay to the Vendor as an Adjustment on the Closing Date an amount equal to any increased costs to the Vendor attributable to any new levies and/or taxes introduced by any level of government which occur between the signing of this Agreement and the Closing Date, as outlined in the TARION Schedule "O-B" attached hereto.

2.7 **Harmonized Sales Tax**

a) The Vendor and the Purchaser acknowledge that the Province of Ontario, in conjunction with (or with the approval of) the Federal Government of Canada, intends to enact legislation and regulations in order to provide relief for qualifying purchasers purchasing a new home from a builder as a primary place of residence, by effectively **exempting, reducing and/or reimbursing** both the federal portion and the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction (if any) (hereinafter referred to as the “**HST**”) payable under this Agreement. It is anticipated that the proposed legislation and regulations will apply to agreements of purchase and sale between the qualifying purchaser and the builder entered into from and after April 1, 2026 and on or before March 31, 2027 [and for purposes of clarity, was not an agreement that had been entered into before April 1, 2026 and subsequently varied, altered or assigned, such that the agreement would (or might) be considered to have been novated], and will require that construction of the home has begun on or before December 31, 2028 and the home is substantially completed on or before December 31, 2031.

b) For the purposes of this Agreement, the total amount of the federal and provincial components of the HST exempted, reduced or to be reimbursed on or after the completion of this purchase and sale transaction shall hereinbefore and hereinafter be referred to as the “**Exempted Tax**”. To qualify for the Exempted Tax, the Purchaser must qualify for the existing GST/HST New Housing Rebate under the *Excise Tax Act* (Canada) and the regulations thereunder (or any other relevant legislation and regulations, if applicable), and must be purchasing the Real Property for a purchase price exclusive of HST that is less than $1,850,000.

DRAFT

c) The Vendor and the Purchaser acknowledge and agree that the Purchase Price already includes a component equivalent to the HST less the Exempted Tax, and that the Vendor shall remit the balance of any HST (or the entirety of the HST, with reimbursement to follow) to the relevant governmental authority, which may be the Canada Revenue Agency, the Ontario Minister of Finance or any other body appointed by the applicable legislation and regulations ("**HST Authority**") on behalf of the Purchaser, if applicable, forthwith following the completion of this transaction.

The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser will qualify for a rebate of the Exempted Tax (the "**Enhanced HST Rebate**") on the Closing Date. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Enhanced HST Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Enhanced HST Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs the HST Authority to pay, credit or reimburse the Exempted Tax directly to the Vendor. **The Purchaser hereby acknowledges and agrees that it shall not claim any rebate that has been assigned to the Vendor from any HST Authority.** The Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors request for same (and in any event before, on or after the Closing Date), all requisite documents, declarations and assurances that the Vendor or the Vendor's solicitors or the HST Authority may require in order to confirm the Purchaser's entitlement to the Enhanced HST Rebate (the "**Rebate Forms**"). The Purchaser acknowledges and agrees that the Vendor may request that the Rebate Forms be completed in the name of the Vendor or any other person or entity that is designated by the Vendor, in its sole and absolute discretion. The Purchaser agrees to execute and provide to the Vendor the Rebate Forms as provided herein, failing which the Purchaser shall forthwith pay to the Vendor the amount of the Enhanced HST Rebate otherwise available in this transaction to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date. On or before the Closing Date, the Purchaser shall deliver to the Vendor a properly executed Power of Attorney in accordance with the requirements of the *Powers of Attorney Act*, R.S.O. 1990, authorizing the Vendor or the Vendor's representative to execute the Rebate Forms and/or the Restriction (as defined below) on the Purchaser's behalf. If the Purchaser fails to execute and deliver the Rebate Forms upon request to the Vendor, in addition to any other remedy available to the Vendor as a result of such default, the Vendor shall be permitted to execute such documents as attorney for the Purchaser in accordance with the Power of Attorney delivered by the Purchaser. The Vendor and the Purchaser further understood and agree that:

(i) if the Purchaser does not qualify for the Enhanced HST Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors request for same (and in any event on or before the Closing Date) the Rebate Forms duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Enhanced HST Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Enhanced HST Rebate; or

(ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Enhanced HST Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date;

then the Purchaser shall pay all HST payable on this transaction to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date. In those circumstances where the Purchaser maintains that he/she is eligible for the Enhanced HST Rebate despite the Vendor's belief to the contrary, the Purchaser shall, after completion of the transaction contemplated hereunder, be fully entitled to pursue the procurement of the Enhanced HST Rebate directly from the HST Authority.

d) In the event that the Purchaser intends to rent out the Dwelling before or after the Closing Date, the Vendor shall not credit the Purchaser with the Enhanced HST Rebate or the HST New Housing Rental Rebate on the Closing Date, but the Purchaser may nevertheless be entitled to pursue, on his or her own after the Closing Date, the Enhanced HST Rebate and/or the HST New Housing Rental Rebate directly with the HST Authority, pursuant to the applicable legislation and regulations enacted or to be enacted relating to the Enhanced HST Rebate and/or the HST New Housing Rental Rebate.

DRAFT

e) The Purchaser further covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Exempted Tax and/or the GST/HST New Housing Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's claim for a rebate that has been assigned to the Vendor and/or the Purchaser's failure to qualify for the Enhanced HST Rebate and/or GST/HST New Housing Rebate, as applicable, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Enhanced HST Rebate and/or GST/HST New Housing Rebate, as applicable, or as a result of the inability to credit, pay or assign the benefit of the Enhanced HST Rebate and/or GST/HST New Housing Rebate, as applicable, to the Vendor (or the ineffectiveness of the documents purporting to assign the Enhanced HST Rebate and/or GST/HST New Housing Rebate, as applicable, to the Vendor). As security for the payment of such amounts as aforesaid, the Purchaser does hereby charge and pledge his or her interest in the Real Property so as to create a lien or charge against the Real Property.

f) The Vendor and the Purchaser agree to execute and deliver all further documents, forms, assurances, agreements, and perform all other acts as may be required and necessary to give effect to this Paragraph.

g) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, any credits granted by the Vendor or any extras or upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement or any amendment or addenda thereto, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the *Excise Tax Act* (Canada). In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades, credits or adjustments (including any increase in the rate of HST) and as a result of such increase, the quantum of the Enhanced HST Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "**Reduction**"), then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.

2.8 **NSF Cheques**

The Purchaser acknowledges that he shall be responsible for the payment to the Vendor as a credit to the Vendor on the Adjustments on the Closing Date, the sum of **$500.00 plus HST** representing the charge payable for each cheque payable to the Vendor from the Purchaser which is returned as non-sufficient funds or funds not cleared, to the Vendor with respect to any deposits payable pursuant to this Agreement or any extras requested by the Purchaser prior to the Closing Date.

2.9 **General**

2.9.1 All proper readjustments shall be made after the Closing Date, if necessary, forthwith upon request. Any monies owing to the Vendor pursuant to such readjustment or as a result of any expenses incurred by the Vendor arising from a breach by the Purchaser of any of the Purchaser's obligations described in this Agreement shall be payable upon written demand by the Vendor and shall bear interest from the date of written demand at the rate of twelve percent (12%) per annum, calculated daily, not in advance and shall be a charge on the Property until paid and such charge shall be enforceable in the same manner as a mortgage in default.

2.9.2 The Vendor may reserve a Vendor's Lien, following the Vendor's usual form, for unpaid purchase monies or Adjustments or claims herein provided together with the interest thereon as set forth in Section 2.9.1 hereof, and the Vendor will upon request deliver to the Purchaser (for registration at the Purchaser's expense) a release of the Vendor's Lien after such monies have been received by the Vendor.

3. CONSTRUCTION MATTERS

3.1 **Construction Completion**

3.1.1 The Purchaser acknowledges that the dwelling will be constructed substantially in accordance with plans and specifications to be filed with the Building Department of the municipality in which the building is located and in accordance with the *Ontario Building Code* and that the Purchaser shall have no claims against the Vendor for any higher or better standards of workmanship or materials than required in such plans and specifications and pursuant to the *Ontario Building Code*. The foregoing shall constitute complete and absolute acceptance by the Purchaser of all construction matters, and the quality and sufficiency thereof, including, without limitation, all mechanical, structural and architectural matters. The Purchaser agrees that the foregoing may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title against the Vendor. Subject to TARION, the Vendor reserves the right to make changes to the plans and specifications and/or substitute materials provided that such materials are substantially equal in quality to the materials so replaced and the Purchaser shall have absolutely no claim or cause of action against the Vendor for any such changes, variances or modifications, nor shall the Purchaser be entitled to any notice thereof.

3.1.2 Without limiting the generality of the foregoing, the Purchaser acknowledges and agrees as follows:

a) the Vendor shall have the right to construct the reverse mirror image of the dwelling type, including reversal of the garage siting and reversal of the interior floor plan layout, without notice to the Purchaser and without compensation or abatement to the Purchase Price.

b) as of the date of this Agreement, the final site plan relating to the lands showing the actual siting of the dwelling on the lands may not have been completed by the Vendor or approved by all governmental authorities. Consequently, the Purchaser acknowledges and agrees that the Vendor shall have the right to construct the dwelling type on the lands in a location or angle different and relocate sidewalks or fences other than as depicted in the sales brochures, renderings and other plans and specifications reviewed by the Purchaser at the time of entering into this Agreement, without notice to the Purchaser and without compensation or abatement to the Purchase Price.

c) the Purchaser hereby acknowledges that, as of the date of this Agreement, final grading plans relating to the lands may not have been completed by the Vendor or approved by all governmental authorities. Consequently, the Purchaser acknowledges and agrees that the Vendor shall have the right to construct the dwelling type at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications reviewed by the Purchaser at the time of entering into this Agreement, without notice to the Purchaser and without compensation or abatement to the Purchase Price.

d) in the event this Agreement calls for the construction of a deck or patio and such is not possible, the Purchaser hereby irrevocably agrees to accept such change without notice, without any right of abatement to the Purchase Price and in full satisfaction of the Vendor's obligations with respect to the construction of the dwelling. In the event that this Agreement does not call for a deck or patio and such is required by the municipality pursuant to final approved grading, engineering and/or site plans, the Purchaser shall pay to the Vendor the additional cost involved in constructing the deck or patio, which shall be determined by the Vendor in its sole and absolute discretion.

e) in the event that the dwelling type is constructed at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications reviewed by the Purchaser at the time of entering into this Agreement necessitating a step or series of steps to the front door, side door, rear door or any other door of the dwelling in addition to any changes in windows, side or garage access doors the Purchaser hereby irrevocably agrees to accept such change without notice, without any right of abatement to the Purchase Price and in full satisfaction of the Vendor's obligations with respect to the construction of the dwelling.

f) the Purchaser acknowledges that the dimensions of the Property and the square footage of the dwelling are approximate only. In the event that the frontage, depth or area of the Property and/or the square footage of the dwelling as a whole are varied by up to and including five percent (5%) from the specifications set out in this Agreement, the Purchaser acknowledges and agrees to accept all such variations without notice and without a claim for compensation or abatement to the Purchase Price.

g) the Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as cushion floor, carpet, floor tiles, roof shingles, brick, aluminum or vinyl siding, bath tubs, water closets, sinks and other such products where the product manufacturer establishes the standard for such finishes. The Vendor is also not responsible for colour variations in natural products or the finishes on natural products such as, but not limited to, marble, granite, hardwood flooring, kitchen cabinets, wood stair railings, spindles, trim as well as stains or finishes applied to any of the aforesaid which colours may vary when finishes are applied to them. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as, but not limited to, plastic toilet seats, china toilets, enamel tubs, melamine cabinet finishes and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. In the event the purchaser requests loop type “berber” carpet, the purchaser acknowledges that seams may be visible; and shall sign a waiver of such upon selection of colours.

h) in the event, the Purchaser purchases granite or quartz countertop(s), the Purchaser acknowledges that the granite or quartz can come with shade, veining, and pattern variances from one end of the slab to the other and requires frequent applications of sealant in order to properly maintain the countertop(s). The Purchaser further acknowledges that joints in granite or quartz countertop(s) are visible to the touch and sight joints are at the sole discretion of the fabricator.

i) in addition, the following alterations and adjustments may be made by the Vendor to the lot and model type selected by the Purchaser for any reason, and the Purchaser agrees that such alterations and adjustments for all purposes are minor and permissible, and the Purchaser shall accept the dwelling constructed on the Property with any or all of the following alterations and adjustments, without compensation or abatement (which alterations and adjustments the Purchaser hereby irrevocably authorizes the Vendor to complete): (a) a change in the front elevation of the Property that results in an increase or decrease in the number of steps to the front door and any change to the grading which affects or alters the steps or entry to the dwelling from the front door to the lot line of the Property; (b) the deletion or addition or relocation of any and all entry doors to the garage; (c) the relocation or the lowering of the elevation of any other entry doors into the dwelling or the elevation of the laundry area or the elimination of laundry room door(s); (d) the addition or deletion of steps into any and all of the rear yard, the side yard and the garage; (e) the installation of thresholds dividing rooms or living areas required by differences in surface elevations or floor materials; (f) the substitution of a door for a patio door, or a patio door for a door; (g) the substitution of a door or patio door for a window, or a window for a door or patio door; (h) the construction of the dwelling reversed to the layout shown on the floor plans (mirror image which may cause side windows to align with neighboring home's windows); (i) any reduced or increased ceiling heights; (j) changes in the location of the furnace, fireplace, water tank, or other services; (k) a reduction or increase in the area of the dwelling of up to five percent (5%), using TARION's published uniform method for the calculation of floor area (and in addition to the equivalency tolerances provided for by such method); (I) any changes either before or after approval of the plans imposed by the municipality, developer or the architectural control architect or imposed by any architectural controls, including without limitation any change to external elevations of the dwelling or the elimination of walkouts and/or lookouts; (m) the installation of catchbasins, as completed in compliance with the grading and drainage requirements of the Vendor and/or the municipality; (n) sunken foyers, rooms or other areas of the dwelling as a result of grading changes; (o) variation of rooflines which may differ from those shown on plans; (p) any other change that does not materially diminish the value of the Property or substantially objectively alter the dwelling; (q) any other substitution by the Vendor permitted under this Agreement; and (r) any other change that the Vendor's architect in his unfettered discretion considers minor and permissible, and the statutory declaration of the architect or his employee in charge of the project shall be deemed to be conclusive and binding on the Purchaser.

j) lot sizes and dimensions are also subject to change without notice provided that they are not substantially varied and, without limiting the foregoing, any decrease of less than 10% of any single lot dimension or of less than 10% of the total lot area will not be considered a substantial variation.

3.1.3 The Purchaser agrees to complete the transaction without holdback of any part of the Purchase Price. The Vendor and Purchaser shall complete on or before the Closing Date the Pre-delivery Inspection Form as called for pursuant to TARION.

3.1.4 The Purchaser will accept the Vendor’s covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers in full satisfaction of the Purchaser’s rights *under The Construction Act* and will not claim any lien holdback on the Closing Date.

3.2 **Siting**

If the dwelling type described herein cannot be sited or built on the Property in accordance with the requirements of the municipality or any architectural control committee having jurisdiction in respect of the Property, the Vendor or Purchaser may cancel this Agreement and shall be entitled to a refund of any deposit(s) paid, without interest, but in no event shall the Vendor or the Vendor’s agent be liable for any damages or costs whatsoever.

DRAFT

3.3 **Construction, Siting and Grading Acceptance**

3.3.1 The Purchaser agrees that acceptance of construction, site and grading by the municipality and/or the subdivider's consulting engineers shall conclusively constitute acceptance by the Purchaser.

3.3.2 The Vendor shall have the sole right (subject to architectural control requirements) to choose the exterior colour package including type, colour and texture of materials including, without limitation, brick for the dwelling to be erected. Should the original colours chosen by the Vendor not be available at the time of construction, the Vendor shall have the right to substitute alternative available materials provided that the alternate materials are of equal quality. The Vendor agrees to notify the Purchaser of any required changes as soon as the need for such required changes becomes known to the Vendor.

3.3.3 The Purchaser acknowledges that certain lots within the subdivision may require catch basins in the rear yard and associated leads and that hydro transformers, street light poles and hydrants will front onto certain lots (including the Property) and sidewalk locations and fences are subject to change subject to 3.3.1 above within the subdivision.

3.4 **Features and Specifications**

Included in the Purchase Price are the specification features listed in Schedule "B", which forms part of this Agreement.

3.5 **Extras or Changes Requested by Purchaser**

a) The Purchaser covenants and agrees to pay the Vendor at the time of request for any and all extras or changes specifically ordered by the Purchaser failing which, the Vendor shall have no obligation to provide the requested extras or changes.

b) The Purchaser acknowledges that the selection of optional extras, upgrades and options for the dwelling can affect the marketability and saleability of the Property in the event the Purchaser defaults hereunder. The Purchaser agrees that before accepting any order for extras, upgrades and options, the Vendor may, at its option, require evidence of the Purchaser's continuing financial ability to complete the transaction. If such evidence is not satisfactory to the Vendor, in its sole, subjective and absolute discretion, the Vendor may refuse to accept any or all such orders for extras, upgrades and options and the dwelling will be completed in accordance with the original terms hereof.

3.6 **Colour Selection**

3.6.1 In the event that the Purchaser shall have made a choice of colours and/or materials from either the Vendor's samples or otherwise as aforesaid and because of lack of supply the installation of such colour choice and material cannot be completed in accordance with the Vendor's construction schedule, the Purchaser shall choose alternate colours and materials within three (3) days and in the event the Purchaser fails to make an alternate selection as aforesaid, the Vendor shall have the option of choosing the colours and materials and the Purchaser shall be obligated to accept same.

3.6.2 In the event that the Purchaser shall not have made his selection within fourteen (14) days after the acceptance of this Agreement by the Vendor or an extended date acceptable to the Vendor, then the Vendor shall have the option of choosing the colours and materials for and on behalf of the Purchaser and the Purchaser agrees to accept same.

3.6.3 In the event that the Purchaser has installed or has requested the Vendor to install, a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement, "floor covering" shall mean any type of finished floor covering which is normally placed on the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, marble, terrazzo and carpet.

3.6.4 Where omissions occur on the original colour selection sheet, the Purchaser acknowledges that selection by the Vendor will be final.

3.6.5 Upgrades listed on a standard colour chart will not be deemed to be part of this Agreement.

3.6.6 The Purchaser agrees that if after having made the original colour selections the Purchaser does make a change erroneously or otherwise, he will be deemed responsible for all errors resulting from any double selections.

3.6.7 The Purchaser further agrees that in the event that the Vendor has preselected colours prior to the purchase herein of the Property, the prescribed colours shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.

3.6.8 In the event that any of the terms and conditions stated on the Customer Request for Optional Extras ("B" Sheet) form (the "Purchaser's Extras Contract") are in conflict or contradiction of any terms or conditions stated in this Agreement, it is hereby agreed that the terms and conditions stated on the Purchaser's Extras Contract shall take precedence over the terms and conditions of this Agreement.

DRAFT

3.6.9 The Purchaser may not change its original selections (including, among other things, materials and colours) without the approval of the Vendor in its sole, subjective and absolute discretion, in which event the Vendor shall be entitled to charge an administration fee of $500.00 (plus HST) in addition to the price of the revised selections.

3.6.10 If there is more than one Purchaser, each Purchaser appoints each other Purchaser as his or her representative and agent with full authority to make colour/material selections and to enter into additional agreements for optional extras. As a result any such selections or agreements for extras made by any one Purchaser shall be binding on all other Purchasers as if they had made such selections or entered into such agreements themselves.

4. GRADING AND DRAINAGE MATTERS AND THE VENDOR'S RIGHT TO RE-ENTER

4.1 **Sodding and Paving**

The Purchaser acknowledges that the grading, paving, and sodding shall be done between June and October of any year as per the Vendor's scheduling program. The Purchaser agrees that he shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be the latter, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod, the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser. In the event the Vendor is providing the final coat of asphalt in the driveway, the Vendor shall be obligated to pave once and such paving it is agreed shall occur within 24 months after the base coat of asphalt is provided, subject to weather conditions and any excessive settlement that may occur.

4.2 **Alteration**

4.2.1 The Purchaser agrees not to alter the grading of the Property in any way which will affect its surface drainage pattern or that of the adjoining lots and promises not to widen or alter driveways or curbs, construct any fences, patios, sheds or similar structures without the written consent of the Vendor up to the date on which the subdivision is assumed by the municipality. Any breach of this covenant which requires rectification may be carried out by the Vendor, subdivider, or municipality at the sole expense of the Purchaser, payable forthwith upon demand. The Purchaser further agrees not to install any foundation planting with six feet (6') of any external wall or to finish the whole or any part of the basement of the dwelling for a period of twenty-four (24) months after the Closing Date or install any air conditioning units on the side of the house whereby it would obstruct access to the rear yard and interfere with the completion of tree grading or landscaping of the lot. A breach of either of the above terms relieves the Vendor of any obligation to rectify any basement water leakage or seepage which result or damage caused thereby. If the Purchaser installs asphalt on the Property after the Closing Date but prior to the assumption of the plan of subdivision by the municipality, and if there has been any subsidence or settlement of the Property under or about such asphalt, which subsidence or settlement must be remedied prior to the assumption of the plan of subdivision by the municipality, such subsidence or settlement shall be remedied by the Purchaser, at the sole expense of the Purchaser, within thirty (30) days of receiving notice in writing of the necessity to remedy such subsidence or settlement, failing which, the subdivider or Vendor may remedy such subsidence or settlement at the sole expense of the Purchaser plus a fee equal to fifteen percent (15%) of such expense. Purchaser acknowledges that he is not permitted to encroach (which may include, but is not limited to: extensions of structures, walls, fences, plantings, sports equipment, landscaping, etc.) on municipal property from the front, sides or rear of the Purchaser's yard. Please note that the municipality's realty department regulates and manages encroachments and will require purchasers/tenants to remove any encroachment and/or comply with the encroachment standards set forth by the municipality.

4.2.2 The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to improvements and chattels or damage caused by the remedying of any deficiencies or warranted items. The Vendor is not responsible for the repair or rectification of any exterior work resulting from minor and ordinary settlement, including driveways, walkways, patio stones or sodded areas or for any damage to interior household improvements or decor caused by material shrinkage, twisting or warpage. Provided further, the Vendor shall not be liable for any secondary or consequential damages whatsoever which may result from any defect in materials, design or workmanship related to the Property and the Vendor's only obligation shall be to rectify the defect pursuant to the terms of this Agreement. In the event that after taking possession of the dwelling, the Purchaser shall complete and/or install any improvements, additions or alterations thereto, including, but not limited to, finishing basement, wallpapering, cabinetry and/or mouldings and/or finishings, the Purchaser shall be required to remove such improvements, additions or alterations at his own expense, in the event that the Vendor shall be required to carry out any repairs or replacements to the dwelling in the area of such improvements, additions or alterations. The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all actions, causes of action, claims and demands for, upon or by reason of any damage or injury to person or property of the Purchaser, or any of his friends, relatives, workmen or agents who have entered on the Property or any part of the subdivision of which the Property forms a part whether with or without the authorization, express or implied, of the Vendor.

4.3 **Vendor's Right to Enter on Property**

Notwithstanding the closing of this transaction, the Purchaser's covenants and agreements contained in this Agreement shall not merge. The Vendor, the subdivider, the municipality/region or their respective servants or agents may, until that date upon which the municipality/region accepts all of the services within the subdivision of which the Property forms a part and releases the Vendor and/or the subdivider from all obligations in connection therewith, enter upon the Property at all reasonable hours in order to carry out any lot grading work which in the opinion of the Municipal/Region Engineer or Director of Public Works may be required and to inspect, repair, complete, maintain or rectify construction, grade and undertake modifications to the surface drainage, including installation of catch basins, and including construction and maintenance of fences, if any, constructed by the Vendor or the subdivider in accordance with municipal requirements or in accordance with the Vendor's own design plan.

5. OCCUPANCY MATTERS

5.1 The Purchaser will not occupy the dwelling until the municipality consents if such consent is required, and the Vendor and Purchaser hereby agree to postpone the Closing Date until such consent is given.

5.2 The Purchaser acknowledges that if it is the policy of the municipality to issue occupancy permits or certificates, such permits or certificates may not be available for delivery to the Purchaser on the Closing Date. Provided that the dwelling has been inspected and approved for occupancy by the municipality on or before the Closing Date, the Purchaser shall accept the undertaking of the Vendor to provide a copy of the occupancy permit or certificate to be issued by the municipality as soon as possible following the Closing Date.

5.3 The Purchaser covenants to occupy the dwelling forthwith after the Closing Date.

6. TARION

6.1 **Membership**

The Vendor hereby advises the Purchaser that it is a registered builder under the provisions of TARION.

6.2 **Enrolment**

The Vendor hereby warrants that the premises are or will be enrolled under TARION.

6.3 **Certificate of Completion and Possession**

6.3.1 The Purchaser agrees to meet the Vendor's representative prior to the Closing Date to inspect and to list all items remaining uncompleted at the time of such inspection and mutually agreed deficiencies in the dwelling, on the Vendor's certificate, which certificate shall be executed by both the Purchaser and the Vendor's representative forthwith after such inspection, and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work or in respect of any aspect of the construction of the dwelling (the "Pre-delivery Inspection Form"). The Purchaser further agrees that the Vendor shall have the right to enter upon the Property after the Closing Date, if necessary, in order to complete such items as are included in the Pre-delivery Inspection Form. Such work shall be completed by the Vendor within a reasonable time after the Closing Date, having regard to weather conditions and the availability of supplies and labour. The Purchaser acknowledges and agrees that no further request for completion or correction of items may be maintained by the Purchaser, and this shall serve as a good and sufficient release of the Vendor in that regard.

6.3.2 It is understood and agreed that in no event shall the Purchaser be entitled to obtain possession of the Property unless and until the Purchaser has inspected the dwelling, and completed and executed the Pre-delivery Inspection Form. Failure by the Purchaser to complete an inspection of the dwelling and to complete and execute the Pre-delivery Inspection Form prior to the Closing Date, shall constitute default by the Purchaser hereunder and the Vendor may at its option, (and without prejudice to any other rights which the Vendor may have on the Purchaser's default), terminate this Agreement and retain the deposit(s) paid by the Purchaser as liquidated damages and not as penalty.

6.3.3 The Vendor covenants and agrees to issue the TARION Certificate of Completion and Possession / Warranty Certificate ("CCP") in favour of the Purchaser. The Vendor further covenants to deliver a copy of the TARION Home Owner Information Package to the Purchaser at or before the inspection referred to in Section 6.3.1 above. The Purchaser acknowledges that the CCP will be issued by the Vendor prior to or on the Closing Date and issuance of the CCP shall not be a condition of closing. The CCP, administered by TARION shall constitute the Vendor's only warranty, express or implied, in respect of any aspect of construction of the dwelling and further shall be the full extent of the Vendor's liability for defects in materials or workmanship or damage, loss or injury of any sort, delay or otherwise with respect to the dwelling, the Property and the relationship between the Purchaser and the Vendor, whether arising in tort or in contract. The Purchaser is urged to review the CCP, particularly its exclusions, and to be aware that the Vendor is not liable for loss or damage to any landscaping, furnishing or improvement by the Purchaser caused either by any defect for which the Vendor is responsible or by the remedying of such defect.

7. TITLE MATTERS

7.1 **Requisitions to Title**

Provided that the title is good and free from all encumbrances, save as referred to herein, and except as to any registered restrictions or covenants that run with the land provided that such are complied with. The Purchaser acknowledges that he will satisfy himself that all such restrictions, agreements or covenants have been complied with. The Purchaser is not to call for the production of any title deed or abstract or other evidence of title except such as are in the possession of the Vendor. The Vendor shall deliver to the Purchaser a survey of the Property prior to the Closing Date. The Purchaser is to be allowed until thirty (30) days prior to the Closing Date to examine the title at his own expense. If within that time any valid objection to title is made in writing to the Vendor's Solicitor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate negotiations in respect of such objections, be null and void and the deposit(s) shall be returned to the Purchaser without interest or deduction, other than the cost of putting the premises back into their original state, reasonable wear and tear excepted, and save for any extras ordered by the Purchaser, and the Vendor shall not be liable for any costs or damages. Save as to any valid objections so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor.

7.2 **Restrictions, Easements, Subdivision Agreements**

7.2.1 The Purchaser agrees to accept title subject to the following:

a) any subdivision, development, site plan, allocation, financial contribution, front ending, servicing agreement, condominium or like agreement with the municipality in which the Property is located, or any governmental authority having jurisdiction over the Property and any cost sharing agreement respecting the Property;

b) any easements, licenses or agreements (including encroachment agreements) for the installation, maintenance and operation of any public or other utilities including, without limitation, telephone, hydro, gas, sewer, railway lines, pipelines, water and cablevision or master antenna T.V. distribution system; and any crane swing and/or tieback temporary easement agreement with respect to the right to swing crane booms over, and install tiebacks under the Property; which agreement will remain on title in respect of any lands unaffected by the same until the lands benefiting from such agreement have obtained site plan approval and in respect of any Property affected by such agreement upon termination of the same.

c) all restrictions, rights-of-way, easements, agreements, maintenance easements as provided in the subdivision agreement or any other including without limitation, any encroachment agreements, conditions or covenants that run with the land as prescribed by the municipality and/or the regional authorities and the Purchaser agrees to execute and deliver on the closing of this transaction, if required by the vendor, an adhesion/assumption agreement assuming any agreement with any governmental authority or any other entity registered on title to the property.

7.2.2 The Purchaser acknowledges and agrees that the retention by the municipality or by any other relevant government authorities of security that is satisfactory to such municipality and/or government authorities intended to guarantee the fulfillment of any outstanding obligations under the municipal agreements shall for the purposes of the within Agreement be deemed to be satisfactory compliance with the terms and provisions of the municipal agreements. The Vendor shall not be obligated to obtain nor register releases of any agreements or restrictions as aforesaid and the Purchaser shall satisfy himself concerning compliance therewith. The Purchaser agrees to observe and comply with the terms and provisions of all agreements, restrictions and covenants registered on title.

7.2.3 The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and/or the subdivider may apply for a re-zoning with respect to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, and the Purchaser, and his heirs, executors, administrators, successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser and his heirs, executors, administrators, successors and assigns to such re-zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property.

DRAFT

7.2.4 The Purchaser acknowledges that the subdivision agreement entered into between the Vendor and/or the subdivider and the municipality may require the Vendor to provide the Purchaser with certain notices, including, but not limited to, land usage, maintenance of municipal fencing, school transportation (including the bussing or transportation of students to schools outside of the neighbourhood), noise levels from adjacent roadways, noise and/or vibration levels from nearby railway lines, the absence of door-to-door mail delivery, the absence of local or neighbourhood schools, the location of "super mailboxes", which may be included on the Property or on the boulevard adjacent to the Property, and in general, any other matter that may be deemed by the municipality to inhibit or interfere with the enjoyment by the Purchaser of the Property. The Purchaser agrees to be bound by the contents of the subdivision agreement or any other municipal agreement wherein such warning clauses are more fully set out and the Purchaser covenants to execute forthwith upon request by the Vendor and in any event, at least twenty-one (21) days prior to the Closing Date, an acknowledgment of receipt by the Purchaser of such notices and/or an amendment to this Agreement including such warning clauses and all schedules, plans, statements attached to the agreement and as required by the subdivision agreement, and the Purchaser's acknowledgment of receipt of same.

7.3 **Title Transfer and Purchaser Acting through Agent or Multiple Purchasers**

At its sole option, the Vendor may direct the developer (subdivider) to transfer title on the Closing Date directly to the Purchaser in which case the Purchaser agrees to accept such direct transfer and further agrees to provide to the Vendor on the Closing Date a form or acknowledgment acknowledging and confirming that the dwelling purchased has not been constructed by the developer (subdivider) and that the developer (subdivider) is in no way responsible for the construction of the dwelling, grading of the Property or any matter related hereto and has no liability to the Purchaser with respect to the same. For greater certainty for the purposes of the foregoing the developer and/or subdivider is the registered owner of the Property, if the Vendor is not the registered owner, and/or the party who entered into obligations with the municipality for subdivision or servicing of the Property.

The Purchaser agrees that any person who takes title to the Property as a beneficiary and/or pursuant to a Direction or Authorization signed by the Purchaser shall be deemed for all purposes to have signed this Agreement through the agency of the Purchaser, or to be the partner of the Purchaser, and to be jointly and severally bound by this Agreement. In doing so, the Purchaser acknowledges that this may result in the ineligibility for the Enhanced HST Rebate and/or GST/HST New Housing Rebate, as applicable (as defined and further described in Section2.7 of this Schedule "A" to this Agreement).

Notwithstanding any other term in this Agreement, the Vendor may demand as a condition precedent to the Vendor's obligation to close, that any person referred to as a beneficiary and/or in a Direction or Authorization as a person to be named as a Transferee shall sign an Acknowledgement on the Vendor's form agreeing to be bound by this Agreement.

7.4 **Consent**

The Purchaser further acknowledges and agrees to consent to the granting of any such easements, rights-of-way or licenses and to execute all documents and do all other necessary acts, without payment, as may be required to give effect to the foregoing, whether before or after the Closing Date.

8. PRIOR MORTGAGES

8.1 The Purchaser acknowledges that the Property may be encumbered by mortgages, charges, debentures or trust deeds (the "encumbrances") which are not intended to be assumed by the Purchaser and that the Vendor shall not be obliged to obtain and register a partial discharge of such encumbrances insofar as it or they affect(s) the Property until sixty (60) days after the Closing Date. The Purchaser agrees to accept the Vendor's Solicitor's Undertaking on the Closing Date to obtain and register partial discharges of such encumbrances in accordance with the terms of this paragraph provided that the following shall be delivered to the Purchaser or his solicitor on or before the Closing Date: a Direction or Acknowledgement to pay any necessary funds on the Closing Date to obtain the partial discharge of the encumbrance as directed by the holder of such encumbrance; and the Vendor's Solicitor's Undertaking to deliver the said funds as directed by the holder of such encumbrance and to register the partial discharges upon receipt and advise concerning registration particulars. The Purchaser agrees to pay as an adjustment on the Closing Date the costs incurred by the Vendor to obtain and register partial discharges of such encumbrances, whether such partial discharges are registered prior to the Closing Date, on the Closing Date, or after the Closing Date, in the amount of $150.00 plus HST per partial discharge, as outlined in the TARION Schedule "O-B" attached hereto.

If the Purchaser should die prior to the Closing Date, the Vendor shall at its option be entitled to declare this Agreement null and void and upon so doing shall return all monies paid on account of the Purchase Price hereunder to the personal representative of the Purchaser without interest or deduction, other than the cost of putting the Property back to its original state, except for reasonable wear and tear and except for any extras ordered by the Purchaser;

If any of the extras, plan changes and/or upgrades ordered by the Purchaser in Schedule "E" or the B-Sheet optional extras are not supplied or cannot be completed by the Vendor, the Vendor shall refund to the Purchaser upon the Closing Date the amount paid, if any by the Purchaser in connection with such extras and/or upgrades and the amount so paid to the Purchaser (or for which, at the Vendor's option, the Purchaser shall receive credit in the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to such extras and/or upgrades, and the Purchaser acknowledges that the Vendor's liability with respect to such extras and/or upgrades shall be limited to the return of the amounts referred to aforesaid and, upon such payment being made or credit being given, the Vendor shall be released from any and all obligations, claims or demands whatsoever with respect thereto. In the event, no such amount was paid or quantified in the Schedule "E" or the B-Sheet, no refund or credit shall be paid to the Purchaser and no further compensation shall be owed by the Vendor;

9.8 **Covenant Not to Enter Site**

Under no circumstances will the Purchaser perform or cause to be performed any work of any nature on or to the Property prior to the conveyance thereof to the Purchaser and, in the event of a breach of this covenant, the Vendor, in addition to any other rights and remedies to which it is entitled, may take whatever steps it deems necessary, in its sole, subjective and absolute discretion, to remove, correct or remedy any such work and the cost and expenses thereof plus a fifteen percent (15%) administration fee (plus HST) shall be paid by the Purchaser forthwith upon demand to the Vendor or, at the Vendor's option, charged as an adjustment on the Closing Date, as outlined in the TARION Schedule O-B attached hereto;

(a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
(b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
(c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
(d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
(e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

(a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
(b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:

  (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
  (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
  (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

DRAFT

(iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:

i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

(c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.

(d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

(a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.

(b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.

(c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.

(d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.

(e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

(a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.

(b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.

(c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ○ Yes ⊖ **No**

(d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

DRAFT

Condition #1 (if applicable)
Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the_____day of_____, 20_____.

Condition #2 (if applicable)
Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____ The date by

which Condition #2 is to be satisfied is the_____day of_____, 20_____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

(e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
(f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
(g) For conditions under paragraph 1(a) of Schedule A the following applies:

(i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
(ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
(iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.

(h) For conditions under paragraph 1(b) of Schedule A the following applies:

(i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
(ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
(iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.

(i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
(j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
(k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
(l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

(a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of $7,500, which amount includes: (i) payment to the Purchaser of a set amount of $150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.

(b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.

(c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.

(d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of $150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.

(e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:

   (i) includes the Vendor's assessment of the delayed closing compensation payable;
   (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
   (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.

(f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

(a) On or before Closing, the Vendor shall deliver to the Purchaser:
   (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
   (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.

(b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

(i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
(ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
(iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.

(c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.

(d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

(a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
(b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
(c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
(d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
(e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
(f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

(a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
(b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
(c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a predelivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete Items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your first warranty form submission to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: https://www.tarion.com/homeowners/homeowner-resources-hub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are $60,000 if the purchase price is $600,000 or less and 10% of purchase price to a maximum of $100,000 if the purchase price is over $600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to $7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of $400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario’s Building Code.

DRAFT

5160 Yonge Street, 7th Floor
Toronto, ON M2N 6L9
877.982.7466 | tarion.com

- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you.

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope.
- Covers defects in work and materials in the electrical, plumbing, and heating delivery and distribution systems.
- Covers defects in work and materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding).
- Protects against violations of Ontario's Building Code that affect health and safety.

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty – not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via https://tarion.com/builders/construction-performance-guidelines
