PARADISE COMES TO WHITBY.

Life is all about choices. Of all the things we choose in life, purchasing a new home is perhaps the single most important decision we'll ever make. That's why you'll appreciate the wide variety of homes that Paradise Developments is offering here at Whitby Meadows New Towns. As we add this collection of beautiful new townhomes to our proud legacy, we aim to create something larger - a thoughtfully planned community that you'll be proud to call home.

COME HOME
TO PARADISE.
EVERYDAY.

We never forget that your home is the single most precious investment of your life.
Each day we go to work inspired with a purpose to fulfill that commitment to you.

Since 1972, we have spent over 5 decades building homes and communities and have remained committed to our roots. Over 15,000 exquisitely built homes stand testimony to our passion and caring. These homes are filled with timeless design, thoughtful planning and unparalleled craftsmanship which anchors them with loving memories, heartwarming stories and unforgettable experiences.

Before we put nail to wood and pen to paper, extensive research, planning and knowhow goes into building every one of our homes and communities. While building homes, we do not overlook the big picture. Our master plan for each community carefully takes into account the location, a harmonious streetscape, and access to amenities, in addition to the nature and open space of the neighbourhood. Collaborating with topnotch architects, planners, designers and tradespeople, we meticulously put together every home with the dreams and aspirations of our homebuyers as our guide. Homebuilding gives us a profound sense of fulfillment as we strive every day to provide better environments, contribute to better schools, and support the communities with a sense of social consciousness – all with a level of integrity, respect and compassion for the world which we live in.
