SCHEDULE “A”

GENERAL PROVISIONS

DWELLING MATTERS, SITING, MATERIALS CHANGES, ETC.

1. The Vendor agrees that it will erect on the Real Property the Dwelling in accordance with plans and specifications (the “Plans”) already examined by the Purchaser and in accordance with Schedule “S” and Schedule “Z” attached hereto. The Purchaser acknowledges and agrees that the Vendor may from time to time, in its sole discretion, or as requested or required by the Vendor’s architect or any design consultants or by any governmental authority, change, alter, vary or modify the Plans, the siting of the Dwelling and/or the grading of the Real Property without notice thereof to the Purchaser. The Purchaser agrees to accept such changes, alterations, variations or modifications and, without limiting the generality of the foregoing, variations to the lot/block number, municipal address, location, area and frontage or depth of the Real Property without any abatement of the Purchase Price or claim for compensation whatsoever. The Purchaser also acknowledges and agrees that architectural control of exterior elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location of such corner lot fencing), exterior colour schemes, or any other material external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the developer. In the event the Vendor is required, in compliance with such architectural control requirements to construct an exterior elevation for the Dwelling other than as specified in this Agreement or amend the driveway construction or location, boulevard tree planting or landscaping plan for the Dwelling and/or Real Property, as the case may be, (all of which is hereinafter referred to as the “Amended Exterior Plans”), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling and/or Real Property, as the case may be, in accordance with the Amended Exterior Plans, and the Purchaser hereby irrevocably agrees to accept such Amended Exterior Plans in lieu of the plans for same specified in this Agreement without any abatement of the Purchase Price or claim for compensation whatsoever. The Vendor shall have the right, in its sole discretion, to construct the Dwelling either as shown on the Plans or to construct such Dwelling on a reverse mirror image plan, including reversal of the garage siting and reversal of the interior floor plan layout. Construction of a reverse mirror image plan is hereby irrevocably accepted by the Purchaser without any right of abatement of the Purchase Price or claim for compensation whatsoever. Further, in the event the Vendor determines, in its sole discretion, to construct the Dwelling at a grade level different than as depicted in the Plans, necessitating a step or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling or any elimination of the side door or door from the house to the garage or garage to outside, if any, the Purchaser hereby agrees to accept such change(s) without any abatement of the Purchase Price or claim for compensation whatsoever. The Vendor shall further have the right to substitute other material for that provided for in the Plans, in the sole discretion of the Vendor, for any cause which it may deem reasonable without notice thereof to the Purchaser, provided that such material is, in the sole judgment of the Vendor, of substantially equal or better quality than the material in the Plans and the Purchaser shall accept same without any abatement of the Purchase Price or claim for compensation whatsoever. The provisions of this Section may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title or assigns against the Vendor.
2. The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling, the subject lot/block of which the Real Property forms a part will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of the lot/block without any abatement of the Purchase Price or claim for compensation whatsoever.

PURCHASER’S SELECTIONS

3. (a) Within fourteen (14) days of notification by the Vendor to the Purchaser, the Purchaser shall attend the Vendor’s offices or such other location as the Vendor may direct to complete the Vendor’s colour and material selection form for those items of construction and finishing for which the Purchaser is entitled to make selection pursuant to this Agreement, and in the event such items become unavailable the Purchaser agrees to re-attend the Vendor’s offices or such other location as the Vendor may direct and submit a revised colour and material selection form within fourteen (14) days notification thereof to make alternate selections from the Vendor’s samples. If the Purchaser fails make selections as aforesaid, the Vendor may make the selections on the Purchaser’s behalf and the Purchaser agrees to accept the Vendor’s selections. The Purchaser shall have no selection whatsoever insofar as exterior colours, designs and materials are concerned. In addition to the foregoing, the Purchaser agrees that:
 - i) In the event that the Purchaser has installed or has requested the Vendor to install a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement, “floor covering” shall mean any type of finished floor covering which is normally placed on the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, marble, terrazzo and carpet.
 - ii) Where omissions occur on the original colour selection sheet, the Purchaser acknowledges that selection by the Vendor will be final.
 - iii) Upgrades listed on a standard colour chart will not be deemed to be part of the Agreement or Purchase and Sale.
 - iv) The Purchaser agrees that if after having made the original colour selections the Purchaser does make a change erroneously or otherwise, he will be deemed responsible for all errors resulting from any double selections.

- v) The Purchaser further agrees that in the event that the Vendor has preselected colours prior to the purchase herein of the property, the prescribed colours shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.
 - vi) In the event that any of the terms and conditions stated on the Customer Request for Optional Extras form (the "**Purchaser's Extras Contract**") are in conflict or contradiction of any terms or conditions stated in this Agreement, it is hereby agreed that the terms and conditions stated on the Purchaser's Extras Contract shall take precedence over the terms and conditions of this Agreement.
- (b) No changes will be permitted in colours or materials so selected by the Purchaser without the prior written consent of the Vendor (which consent may be unreasonably or arbitrarily withheld). In the event any of the foregoing items in which the Purchaser has a choice, have already been installed or completed, then the Purchaser shall be deemed to have accepted them. Notwithstanding anything herein contained to the contrary, in no event shall the Purchaser's failure to make such choices within fourteen (14) days upon request to do so by the Vendor, and the possible consequent inability of the Vendor to substantially complete the Dwelling by the Closing Date entitle the Purchaser to an extension of the Closing Date.
 - (c) Purchasers acknowledge and agree that each Purchaser is required to provide not less than forty-eight (48) hours prior written notice of any cancellation or postponement of a scheduled attendance in connection with this paragraph. In the event that a Purchaser fails to provide such prior written notice or fails to attend a scheduled attendance, the Purchaser covenants and agrees to pay a fee of Two Hundred (\$200.00) Dollars plus HST as an administrative fee per occurrence.
 - (d) The Purchaser specifically acknowledges that in the manufacture and/or production of items, variances may occur from the Vendor's samples and also such items shown as samples may not be subsequently available. The Purchaser hereby agrees to accept any such resulting variations whether as to supplier, brand name, colour and/or otherwise without any abatement of the Purchase Price or claim for compensation whatsoever.
4. The Purchaser acknowledges that he has purchased the Dwelling on the basis of the Plans and not from a model. The Purchaser acknowledges that the model home(s), if any, are for display purposes only, and that some or all of the features contained therein may not be included in the Dwelling unless the same is specifically provided for in a Schedule forming part of this Agreement. Any item identified as optional or an upgrade in the sales or marketing material(s) is not included in the Dwelling but may be purchased at additional cost under a separate Schedule to this Agreement or by separate agreement. The Purchaser's attention is drawn to Schedule "B" which forms part of this Agreement and which sets out therein the items which will be included in the Dwelling as standard features. The Purchaser hereby acknowledges that the Dwelling will only include those standard features and, accordingly, if the Purchaser requires any clarification or explanation as to items, features or finishes as referred to in Schedule "B" or anywhere else in this Agreement or with respect to any matters whatsoever which the Purchaser has discussed with the Vendor's sales representative(s) such clarifications or explanations must be made in writing and included in this Agreement, failing which the Purchaser shall be estopped from making a claim for any such clarifications, explanations, items, features, finishes or representations, other than as set out in writing in this Agreement. The Purchaser hereby acknowledges that there are no representations, warranties, guarantees, collateral agreements or conditions whatsoever affecting this Agreement, the Dwelling or the Real Property or supported hereby other than as is expressed in writing in this Agreement.

SUBSTANTIAL COMPLETION OF THE DWELLING/OCCUPANCY

5. In the event that the Dwelling is substantially completed and ready for occupancy by the Closing Date, the sale shall be completed on such date without any holdback whatsoever of any part of the Purchase Price and the Vendor shall complete any outstanding items of construction required by this Agreement within a reasonable time thereafter and during normal business hours, having regard to weather conditions and the availability of labour and materials. If there is a detached garage as part of the Real Property, substantial completion of the Dwelling shall not include completion of the said garage and the Purchaser shall complete the within transaction notwithstanding that the construction of the garage is not completed or even started. For the purpose of this Agreement, the Dwelling shall be deemed to be substantially complete when the interior work has been substantially finished to permit occupancy, notwithstanding that there remains grading or landscaping or other outside work to be completed. The Vendor shall provide evidence that occupancy is permitted in accordance with and only to the extent required by the Tarion Addendum.
6. In the event the Vendor is unable to deliver to the Purchaser on or before the Closing Date a conveyance of the Real Property free and clear of all encumbrances, save as provided for in this Agreement, for any reason whatsoever, including, without limitation, failure to register the Condominium prior to the Closing Date, then the Vendor, may, at its option, require the Purchaser to take possession of the Real Property in accordance with Schedule "C" of the Tarion Addendum and Schedule "C" hereto and the Vendor's undertaking to deliver a conveyance in accordance with the provisions of this agreement within such period of time as the Vendor may determine. From and after the date of possession, the Purchaser shall be responsible for the realty taxes, water, hydro, gas and other public or private utilities, common expenses and interest on the unpaid balance of the Purchase Price all in accordance with Schedule "C" of the Tarion Addendum and Schedule "C" hereto until such time as the Vendor delivers a conveyance of the title to the Real Property to the Purchaser. The parties hereto further agree that upon the Vendor delivering to the Purchaser a conveyance in accordance with the terms of this Agreement, any further adjustments that may be required shall be made at the time of the delivery of the conveyance.

7. If the Purchaser is unable to deliver the balance of the Purchase Price on the Closing Date by wire transfer from the trust account of the Purchaser's solicitor or by certified cheque drawn on the trust account of the Purchaser's solicitor, the Purchaser may deliver a bank draft together with a Confirmation and Undertaking from the Purchaser's solicitor in a form satisfactory to the Vendor that confirms that the bank draft was purchased with funds from such solicitor's trust account and the Purchaser's solicitor personally undertakes to replace such bank draft within 24 hours of written notice that such bank draft was not honoured.

TARION WARRANTY CORPORATION and HOME CONSTRUCTION REGULATORY AUTHORITY

8. (a) The Vendor represents and warrants to the Purchaser that the Vendor is a registered vendor with Tarion and/or the Home Construction Regulatory Authority or its successors (the "HCRA"), as applicable;
- (b) The Vendor covenants that on completion of this transaction a warranty certificate for the Dwelling will be requested from Tarion. Such warranty shall contain the only warranties covering the Dwelling. The Purchaser acknowledges and agrees that any warranties of or liabilities for workmanship or materials, in respect of any aspect of the construction of the Dwelling, whether implied by this Agreement or at law or in equity or by any statute or otherwise, shall be limited to only those warranties deemed to be given by the Vendor under the *Ontario New Homes Warranties Plan Act*, as may be amended (the "ONHWPA") and shall extend only for the time period and in respect of those items as stated in the ONHWPA, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement, or condition in any way affecting this Agreement, the Dwelling and/or the Real Property other than as expressed herein.
- (c) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Closing Date, to conduct a pre-delivery inspection of the Dwelling (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Dwelling on the Tarion Certificate of Completion and Possession (the "CCP") and the PDI form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the ONHWPA. The said CCP and PDI forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Dwelling in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.
- (d) The Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor a written authority appointing such designate for PDI prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser directly.
- (e) In the event the Purchaser and/or the Purchaser's designate fails to attend the PDI or fails to execute the CCP and PDI forms at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law. Alternatively, the Vendor may, at its option complete the within transaction but not provide the keys to the Dwelling to the Purchaser until the CCP and PDI forms have been executed by the Purchaser and/or its designate or complete the within transaction and complete the CCP and PDI forms on behalf of the Purchaser and/or the Purchaser's designate and the Purchaser hereby irrevocably appoints the Vendor the Purchaser's attorney and/or agent and/or designate to complete the CCP and PDI forms on the Purchaser's behalf and the Purchaser shall be bound as if the Purchaser or the Purchaser's designate had executed the CCP and PDI forms.
- (f) The Purchaser acknowledges that the Warranty Information Sheet - Warranty Information for New Homes in Parcel of Tied Land is appended hereto and is available on the Tarion website (which is currently at the following web address:

<https://www.tarion.com/resources/publications/64092/warranty-information-sheet-agreements-purchase-and-sale>).
- This information sheet provides a basic overview of the warranties and protections that come with a new condominium unit. This warranty is provided to purchasers by the Vendor and backed by Tarion. For more detailed information, visit [tarion.com](http://www.tarion.com) and log into the Tarion online learning hub at www.tarion.com/learninghub.
- (g) The Purchaser further agrees with the Vendor that the Vendor and/or its representatives shall have the right to enter the Dwelling and the Real Property after completion of the purchase in order to complete any of the items listed on the CCP and PDI forms, provided that if the Purchaser fails or refuses to permit the Vendor and/or its representatives such entry, the Vendor's obligations hereunder shall terminate and be at an end. Any such entry shall be deemed not to be a trespass.

- (h) The Purchaser acknowledges that the area of the Dwelling, as may be represented or referred to by the Vendor or any sales representative, or which appears in any sales or marketing material(s) is approximate only. Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual or useable living area within the confines of the Dwelling may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Dwelling purchased hereunder are approximate only, and that there shall be no adjustment of the Purchase Price or claim for compensation whatsoever, whether based upon the ultimate square footage of the Dwelling, or the actual or useable living space within the confines of the Dwelling or otherwise. The Purchaser further acknowledges that where ceiling bulkheads or telecommunication devices are installed within the Dwelling and/or where dropped ceilings are required, then the ceiling height of the Dwelling may be less than that represented, and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever. In the event that the frontage, depth or area of the property and/or the square footage of the dwelling as a whole are varied by up to and including five percent (5%) from the specifications set out in this Agreement, the Purchaser acknowledges and agrees to accept all such variations without notice and without a claim for compensation or abatement to the Purchase Price.
9. The Purchaser covenants and agrees that he will exhaust all the remedies available to him with Tarion with respect to any claim relating to defects in workmanship or materials or with respect to any other claim arising under the ONHWPA or in respect of the Tarion Addendum, prior to pursuing any other means of redress with regard to such claims. In the event the Purchaser does not comply with the provisions of this Section, or takes any unwarranted or unreasonable actions with respect to such claims, the Purchaser shall be held liable for any damages sustained by the Vendor as a result thereof.
10. The Purchaser agrees that all deposit monies and monies for upgrades and extras shall be deemed to be held in trust by the Vendor (and the Vendor's solicitors if paid to the Vendor's solicitors) in accordance with the terms of the Tarion Addendum, on the express understanding and agreement that, as soon as it is permitted to do so pursuant to the terms of the Tarion Addendum (i.e. the conditions set out in subparagraph 1(b)(i) or 1(b)(ii) of Schedule A to the Tarion Addendum are satisfied, waived or are not included as an early termination condition), the Vendor (and the Vendor's solicitors, if paid to the Vendor's solicitors) shall be entitled to release said funds from trust and to disburse said funds as the Vendor may direct.

 - (d) such easements or rights-of-way, licenses or leases, permanent or temporary, as exist or may subsequently be granted in favour of the Condominium Corporation, the Municipality, any railway company, any applicable regional municipality, the developer or any public or private utility, including, but not limited to, any telephone supplier, any hydro supplier and any gas supplier for hydro, fuel, telephone, television, cable, sewers, water, municipal or other services or utilities; and, further, the Purchaser covenants and agrees to assume, accept and permit any such easements, rights-of-way, licenses or leases and if such easements, rights-of-way, licenses or leases have not been determined when the Purchaser receives his conveyance, such conveyance may contain a covenant by the Purchaser for himself, and his heirs, executors, administrators, successors and assigns, to grant any additional easements, rights-of-way, licenses or leases as may be required by the Vendor, developer, any municipal or other governmental authority or utility or railway company and the Purchaser further covenants and agrees to execute all documents without charge which may be required to convey or confirm any such easement, right-of-way, license or lease and shall exact a similar covenant in any agreement entered into between the Purchaser and any subsequent purchaser from him;

The title is to be examined by the Purchaser at his own expense and he is not to call for the production of any deeds or abstracts of title, surveys, proof of evidence of title or to have furnished any copies thereof, other than those in the Vendor's possession or as provided for in this Agreement. The Purchaser is to be allowed until thirty (30) days prior to the Closing Date to examine the title at his own expense and if within that time he shall furnish the Vendor in writing with any valid objections to the title which the Vendor shall be unwilling or unable to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations, be null and void and the monies paid to the Vendor to that date on account of the deposit monies shall be returned as provided for herein and the Vendor shall not be liable for any damages or costs whatsoever, including, without limiting the generality of the foregoing, loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs. Save as to any valid objections so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property.
13. The Purchaser acknowledges that the Real Property is or will be encumbered by mortgages and/or encumbrances which the Purchaser is not to assume and that the Vendor will not be obligated to obtain and register a discharge of such mortgages and/or encumbrances insofar as they affect the Real Property until a reasonable time after the Closing (as defined in the Tarion Addendum) and the Purchaser shall accept the undertaking of the Vendor's solicitors to obtain and register a discharge within ninety (90) days of Closing of such mortgages and/or encumbrances except as provided for herein and further agrees not to refuse to complete this transaction on the grounds that such mortgages and/or encumbrances have not been discharged.
14. The transfer/deed of land shall be prepared at the Vendor's expense and may contain any or all of the provisions set forth in this Agreement and shall be executed by the Purchaser, if required by the Vendor, and the Purchaser shall execute and deliver on the Closing Date a covenant, undertaking or agreement incorporating all or any of the terms contained herein or as may be required by the Vendor. The Purchaser shall deliver to the Vendor, on or before the Closing Date, as required by the Vendor the Acknowledgement in the form attached to this Agreement, if any, duly completed and executed. The Purchaser agrees to advise the Vendor or its solicitors no less than thirty (30) days prior to the Closing Date of the manner in which title is to be taken by the Purchaser, including, the date(s) of birth and marital status and the Purchaser shall be required to close the transaction in the manner so advised unless the Vendor otherwise consents in writing, which consent may be arbitrarily withheld, failing which title to the Real Property shall be engrossed in the name of the Purchaser as noted on this Agreement and the Purchaser shall be estopped from requiring any further changes to the manner in which the transfer/deed of land is engrossed.
15. The Purchaser hereby acknowledges the full priority of any mortgage or construction financing arranged by the Vendor and/or secured by the Real Property over his interest as Purchaser for the full amount of the said mortgage or construction financing, notwithstanding any law or statute to the contrary and agrees to execute all acknowledgements or postponements required to give full effect thereto. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Real Property. The Purchaser further agrees to consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consents or other documents required by the Vendor to give effect to this paragraph. The Purchaser hereby consents to the Vendor and its designated or proposed lenders obtaining a consumer's report containing credit and/or personal information for the purposes of this transaction. The Purchaser further agrees to deliver to the Vendor, from time to time, within ten (10) days of written demand from the Vendor, all necessary financial and personal information required by the Vendor in order to evidence the Purchaser's ability to pay the balance of the Purchase Price on the Closing Date, including without limitation, written confirmation of the Purchaser's income, copy of mortgage approval letter and evidence of the source of the payments required to be made by the Purchaser in accordance with this Agreement. Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Closing Date, or other evidence of an ability to close satisfactory to the Vendor and the Vendor's construction lender, in their sole and absolute discretion. If the Purchaser fails to provide the financial and personal information or the mortgage approval as aforesaid, or if the Vendor or the Vendor's construction lender is not satisfied as aforesaid, then the Purchaser shall be deemed to be in default under this Agreement. The Vendor may, in its sole discretion, elect to accept in the place of such mortgage commitment, other evidence satisfactory to the Vendor that the Purchaser will have sufficient funds to pay the balance due on the Closing Date.
16. The foregoing provision does not in any way whatsoever require the Vendor to request any such release or impose an obligation on the Vendor to take any steps to obtain any such release.

17. The Purchaser acknowledges that the transfer/deed of land to the Real Property to be given on the Closing Date may emanate from the registered owner of the Real Property and not from the Vendor herein, and the Purchaser agrees to accept same and to accept such owner's title covenants in lieu of the Vendor's, in the event the Vendor is not the registered owner of the Real Property on Closing. In that event, the Purchaser agrees to execute an acknowledgement on the closing confirming that: (i) the registered owner is providing title directly to the Purchaser at the direction of the Vendor; (ii) the registered owner is not the builder or vendor and has no liability to the Purchaser as such; (iii) the registered owner is not responsible for any matters related to the development of the subject lands or the construction of the dwelling or the common elements; and (iv) the Purchaser releases and forever discharges the registered owner from any manner of claim, costs, damages or other losses in any way related to the development of the subject lands or the construction of the dwelling or the common elements.

24. The Purchaser hereby covenants and agrees to pay the sum of One Hundred and Fifty (\$150.00) Dollars plus HST as an administrative fee for each sum that the Vendor permits to be paid to the Vendor's solicitor on account of the Purchase Price for the Potl by wire transfer or direct deposit. All payments by wire transfer or direct deposit, where permitted by the Vendor and the Vendor's solicitor, shall be made in strict accordance with the provisions of the Vendor's solicitor's wire transfer or direct deposit instructions, which may be amended by the Vendor's solicitor from time to time at its sole and absolute discretion. Without derogation from any other right or remedy of the Vendor, if the Purchaser or the Purchaser's solicitor fails to comply with the wire or direct deposit instructions of the Vendor's solicitor, the Purchaser covenants and agrees to pay an additional adjustment of One Hundred and Fifty (\$150.00) Dollars plus HST as an administrative fee per occurrence.

27. In the event that the Purchaser requests any change to this Agreement for which an amendment is required after the expiry of the statutory ten day cooling off period, or wish to terminate the transaction with the mutual agreement of the Vendor, and the Vendor consents to same, then the Purchaser hereby covenants and agrees to pay to the Vendor's legal fees (and ancillary costs) being \$500.00 plus HST, but without there being any obligation whatsoever on the part of the Vendor to approve of, or to implement, said amendment or termination so requested.

HARMONIZED SALES TAX

28. (a) It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to both the federal portion and the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less the Rebate as defined below (hereinafter referred to as the "HST"), and that the Vendor shall remit the HST to Canada Revenue Agency ("CRA") on behalf of the Purchaser forthwith following the completion of this transaction. The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the federal and provincial new housing rebates applicable pursuant to the *Excise Tax Act* (Canada), as may be amended, (collectively, the "Rebate") and further warrants and represents that the Purchaser is a natural person who is acquiring the Real Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Closing Date the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Dwelling as his primary place of residence, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Real Property. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Real Property, save as may be otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors request for same (and in any event on or before the Closing Date), all requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the GST/HST New Housing Rebate Application for Houses Purchased from a Builder or other similar form as prescribed from time to time (the "Rebate Form"). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Real Property with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:

- (i) if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors request for same (and in any event on or before the Closing Date) the Rebate Form duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate; or
- (ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling before or after the Closing Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the *Excise Tax Act*, as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.

- (b) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, any credits granted by the Vendor or any extras or upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement or any amendment or addenda thereto, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the Excise Tax Act. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades, credits or adjustments (including any increase in the rate of HST) and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "**Reduction**"), then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.

EXTRAS/UPGRADES

29. The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of the Purchaser's default under any of the terms of this Agreement. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes, then there shall be refunded to the Purchaser upon the Closing Date that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. In the event such extras, upgrades or changes were included at no charge whether or not included as part of this Agreement then the Vendor's cost of completing such incomplete items will be refunded as determined by the Vendor in its sole discretion. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, the Purchaser receives credit in the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be deemed to have been released from any and all obligations, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes.

NOTICE AND WARNING CLAUSES

30. The Purchaser acknowledges that the Subdivision Agreements and any and/or future development agreements between the Vendor and the Municipality or any other applicable party may require the Vendor to provide the Purchaser with certain notices or warnings including, without limiting the generality of the foregoing, notices or warnings regarding the use of the Real Property, environmental issues, noise levels from adjacent roadways or otherwise, maintenance of municipal fencing, school transportation and related educational issues, and the status of services and works in the Development. The Purchaser acknowledges and agrees that the Vendor may be unable, at this time, to provide the Purchaser with all such notices and warnings. On or before Closing, the Purchaser shall forthwith execute upon request an acknowledgment or amendment to this Agreement containing the required notices and warning clauses. The Purchaser acknowledges and agrees that the Vendor may be unable to sell the Real Property to the Purchaser unless the Purchaser executes such acknowledgments or amendments as aforesaid. In the event that the Purchaser fails to execute such acknowledgments or amendments forthwith upon being requested to do so, the Vendor shall be entitled, at its sole option, to terminate this Agreement and upon such termination, all monies paid to the Vendor hereunder shall be forfeited to the Vendor and this Agreement shall be at an end, and the Purchaser shall not have any further rights hereunder. Alternatively, at the sole discretion of the Vendor, after all required notices and warnings are available, a copy thereof may be sent to the Purchaser as a notice in the manner set out in this Agreement and such transmittal shall constitute acknowledgment of receipt of a copy thereof and the Purchaser irrevocably designates the Vendor as its attorney and/or agent to execute and deliver on his behalf to the Municipality or any other applicable party any required acknowledgments with respect thereto. Without limiting the generality of the foregoing, the Purchaser acknowledges being advised of the notices restrictions as set out in Schedule "W" to this Agreement of Purchase and Sale.

INSURANCE/RISK

31. All buildings and equipment comprising the Dwelling and the Real Property shall be and remain at the risk of the Vendor until Closing and pending completion of the sale, the Vendor will hold all insurance policies and the proceeds thereof for the Vendor's benefit alone. In the event of damage to the Dwelling, the Vendor may either in its sole discretion (a) repair the damage, finish the Dwelling and complete the sale and, if necessary, delay the Closing Date in the manner permitted in the Tarion Addendum; or (b) terminate this Agreement and return to the Purchaser all deposit monies paid by the Purchaser to the Vendor payable under law if the damage to the Dwelling has frustrated this Agreement at law.

PURCHASER COVENANTS AND AGREEMENTS

32. Notwithstanding the closing of this transaction, the Purchaser hereby authorizes and shall not obstruct or interfere in any way with the Vendor, the developer, the Municipality, the regional municipality, the public and/or private utilities, the telephone and/or cable company or persons authorized by any of them, free access to the Real Property and the Dwelling at all reasonable hours in order to make inspections and to do such work or repairs, including, but not restricted to, correction of sodding and/or grading, installation of catch basins, installation, repair, construction or reconstruction and/or maintenance of any of the municipal services, public and/or private utilities and other services, including sewers and water mains; and for any of the purposes aforesaid or related thereto, such entry on the Real Property and Dwelling by any such persons shall not be deemed to be committing trespass and the Purchaser does hereby give leave and licence to any of such persons for the purposes aforesaid and free access for any such persons shall continue for such period of time as may be set out in the Subdivision Agreements or any other agreements affecting the Real Property or as may be required by the Vendor or the developer and/or any municipal or governmental authority, regulatory body or public or private utility. The Purchaser further covenants to comply with and not to breach any of the Subdivision Agreements or any other such agreements.
33. The Purchaser undertakes and covenants that he will not, at any time either before or after the Closing Date, without the prior written authority of the Vendor and the developer (which may be unreasonably or arbitrarily withheld) interfere with or alter the drainage ditch, obstruct the natural flow of water or obstruct the drainage as designed and engineered by the developer, erect fences, porches, patios, planting, paving, swimming pool, clothes lines or obstructions of any kind, remove top soil or subsoil, cut down living trees or do anything which may change or alter the grading or obstruct the drainage of the Real Property or surrounding lots or lands in any way and if he does, the Vendor or its servants, successors, agents and assigns may enter thereon and correct such grading or remove or relocate such obstructions at the Purchaser's expense and be paid, forthwith upon demand, the cost thereof. The Purchaser shall adhere to the overall drainage patterns of the Development, including such easements as may exist or may be required for the purpose of water drainage upon the Real Property to and from adjoining lands, and the Purchaser agrees to grant such easements as may be required from time to time by the Vendor or developer for drainage. The foregoing covenant may, at the option of the Vendor, be included in any transfer of title to the Purchaser and shall run with the land. The Purchaser agrees that unless the Condominium Corporation is required to do so, he shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be later, and the Vendor shall have no obligation in that regard whatsoever. If the Vendor is required by the developer or any governmental authority to replace any laid sod as a result of the Purchaser's default under this Section, the Purchaser shall promptly pay the Vendor for same and the Vendor shall not be obliged to do so until payment has been made therefore in full to the Vendor by the Purchaser.
34. The Vendor hereby notifies the Purchaser and the Purchaser acknowledges that the developer has agreed to provide and pay for paved roads, sidewalks, curbs, street lighting, sanitary and storm sewers, street signs and other services as required by the Subdivision Agreements and that such is the responsibility of the developer and not the Vendor. In the event that title to the Real Property is transferred directly from the developer or another party (the "**Party**") rather than the Vendor, the Purchaser covenants and agrees to execute and deliver on the Closing Date an acknowledgement and release in a form satisfactory to the Vendor and/or developer and/or the Party releasing the developer or the Party, as the case may be, from any and all matters in respect of the within transaction and acknowledging that the developer or the Party, as the case may be, has no liability, obligation or responsibility to the Purchaser.
35. The Purchaser agrees that until all lots or blocks in the Development are sold, the Vendor shall have the exclusive right to maintain model homes, signs, sales staff and marketing material(s) in the Development and to show prospective purchasers through the Development and through any unsold homes and the Purchaser agrees not to display any sign on the Real Property offering the Real Property for sale or rent until after the Closing Date. In the event that the Purchaser displays any such sign on the Real Property, the Vendor shall have the absolute right to enter on the Real Property and remove such sign without such act being a trespass.
36. The Purchaser agrees that in the event that there is any water leakage into the basement or any other damage of any kind or nature whatsoever which the Vendor shall be required at law or by Tarion to repair, the Vendor shall not be liable for any consequential damage caused by the water or otherwise nor for any damage to any improvements, fixtures, furnishings or personal property of the Purchaser, but shall be responsible only for the repair of such damage or leakage in accordance with the terms hereof. Further, the Purchaser waives his right to any claim against the Vendor for damage to the Dwelling due to shrinkage, warpage, twisting or settlement or any secondary or consequential damage resulting therefrom. Further, the Vendor shall not be liable for any secondary or consequential damages whatsoever which may result from any defect in materials, design or workmanship related to the Dwelling. The Purchaser further acknowledges that the Vendor is not responsible for the repair of any exterior work resulting from settlement, including driveways, walkways, patio stones or sodded areas or for any damage to interior household improvements or decor caused by material shrinkage, twisting or warpage. The Purchaser agrees that this Section may be pleaded by the Vendor in estoppel of any claims by the Purchaser pursuant to this Section.
37. The Purchaser agrees that prior to the Closing Date he will not in any circumstances enter onto the Real Property without the express written authority of the Vendor and accompanied by a representative of the Vendor and any entry other than as aforesaid shall be deemed to be a trespass and the Vendor shall be entitled to exercise any rights that it may have pursuant to this Agreement or at law as a result of same. In addition, the Purchaser agrees that he will not in any circumstances, either personally or by his agent, servant or authorized representative, perform or have performed any work of any nature or kind whatsoever on the Dwelling or the Real Property prior to the conveyance of the Real Property to the Purchaser and in the event of a breach of this covenant, the Vendor shall be entitled, at its sole option, to deem such breach as an event of default by the Purchaser under this Agreement or to take whatever steps are necessary to remove, correct or remedy any such work, and in such event, at the Vendor's sole option, the costs and expenses thereof plus a fifteen percent (15%) administration fee shall be paid to the Vendor by the Purchaser forthwith upon demand by the Vendor or added to the Purchase Price as an adjustment on the Closing Date. In the event the Vendor completes the sale of the Real Property to the Purchaser all warranties related to any items and/or matters the Purchase affected by his actions shall be voided.

38. The Purchaser acknowledges that due to the nature and extent of construction work which will be required to be undertaken by the Vendor on the Real Property in connection with the excavation, erection, and construction of the Dwelling, one or more trees may be removed from the Real Property and others may or will suffer damage or destruction both before and after Closing, as a result of the removal, interference or the destruction of roots, contact with the trunk by equipment or machinery or otherwise. The Purchaser hereby acknowledges, covenants, and agrees that the Vendor shall not be responsible or liable in any manner, whatsoever, for any loss or destruction to trees or for any loss or destruction to the property of the Purchaser howsoever caused nor shall the Vendor be responsible or liable for the removal of any trees or parts thereof, from the Real Property, at any time, whatsoever. It is understood and agreed that the Vendor has made no representation, warranty, guarantee, collateral agreement or condition whatsoever, regarding the preservation, removal, condition or health of trees on the Real Property.
39. The Purchaser agrees that he will not, for a period of at least two (2) years from the Closing Date, plant any trees, shrubs, vines, hedges or other such landscaping on the Real Property that will interfere with, alter or change the grading or obstruct the drainage of the Real Property or surrounding lots or lands without the express written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. The Vendor shall have the right during such period to enter on the Real Property, without notice to the Purchaser, and to remove, without any liability, whatsoever, any such trees, shrubs, vines, hedges or other landscaping planted on the Real Property in contravention of this Section without such act being a trespass.
40. The Purchaser covenants and agrees to provide all requisite information and materials including proof respecting income and source of funds as the Vendor may require to determine the Purchaser's credit worthiness. The Purchaser acknowledges that it may be necessary for the Vendor to obtain credit or other information in order to satisfy itself as to the Purchaser's credit worthiness and authorizes the Vendor and the Vendor's designated or proposed construction lender(s) from time to time to obtain any consumer reports or other information it may require and any consumer reporting agency or credit bureau is hereby authorized to release such information as the Vendor may request.

NON-REGISTRATION AND NO ASSIGNMENT AND NO OBJECTION

41. The Purchaser covenants and agrees that he will at no time register or attempt to register this Agreement on title to the Real Property by way of caution, deposit, assignment or in any way whatsoever, and it is expressly agreed by all parties hereto that any such registration or attempt by the Purchaser or anyone acting for or through him shall constitute an event of default under this Agreement. In the event that this Agreement, a caution, a deposit, an assignment or any other instrument whatsoever is registered against or dealing with the title in contravention of this provision, then the Purchaser hereby appoints the Vendor his true and lawful attorney and/or agent for the purposes of removing the instrument from title, including the giving of any discharge, lifting or release of any caution, deposit or the assignment of any rights pursuant to this Agreement. The Purchaser hereby irrevocably consents to a court order removing any such notice of this Agreement, caution, deposit or any other documents or instruments whatsoever from title to the Real Property. The Purchaser shall bear all costs incurred by the Vendor in the exercise of any of its rights pursuant to this provision. The Purchaser acknowledges that notwithstanding any rule of law to the contrary that by executing this Agreement he has not acquired any equitable or legal interest in the Dwelling or the Real Property.
42. The Purchaser covenants and agrees that he will in no way, directly or indirectly, list for sale or lease, advertise for sale or lease, rent, convey, transfer, sell or lease, direct title or in any way assign his interest under this Agreement or the Purchaser's rights and interests hereunder or in the Real Property, or directly or indirectly permit any third party to list or advertise the Real Property for sale or lease at any time prior to the Closing Date without the prior written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. The Purchaser acknowledges and agrees that once a breach of the preceding covenant and agreement occurs such breach shall be a default hereunder and, at the Vendor's sole option, be deemed incapable of rectification, and accordingly the Purchaser acknowledges and agrees that in the event of such breach the Vendor shall have the unilateral right and option of taking whatever steps are available to the Vendor in the event of the Purchaser's default.
43. The Purchaser covenants and agrees that he shall not directly nor indirectly object to nor oppose any official plan amendment(s), rezoning application(s), severance application(s), minor variance application(s) and/or site plan application(s), nor any other applications ancillary thereto relating to the development of the Real Property, or any neighboring or adjacent lands. The Purchaser further acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.

ELECTRONIC REGISTRATION AND TENDER

44. (a) The parties waive personal tender and agree that tender in the absence of any other mutually acceptable arrangement and subject to the provisions of this Agreement shall be validly made by the Vendor upon the Purchaser by a representative of the Vendor (which shall include the Vendor's solicitor) attending or being available at the offices of the Vendor's solicitors at 3:30 p.m. on the Closing Date and remain there until 4:30 p.m. of the same date and being ready, willing and able to complete the subject transaction. 45. As the electronic registration system (hereinafter referred to as the “**Teraview Electronic Registration System**” or (“**TERS**”) is operative in the applicable Land Titles Office in which the Property is registered, then at the option of the Vendor’s Solicitors, the following provisions shall prevail:

- (a) The Purchaser shall be obliged to retain a solicitor, who is both an authorized TERS user and in good standing with the Law Society of Ontario to represent the Purchaser in connection with the completion of the transaction. The Purchaser shall authorize such solicitor to, at the option of the Vendor’s Solicitors, either execute an escrow closing agreement with the Vendor’s Solicitors on the standard form recommended by the Law Society of Ontario (hereinafter referred to as the “**Escrow Document Registration Agreement**”) establishing the procedures and timing for completing this transaction or to otherwise agree to be bound by the procedures set forth in the Escrow Document Registration Agreement.
- (b) The delivery and exchange of documents, monies and keys to the Dwelling, and the release thereof to the Vendor and the Purchaser, as the case may be:
- (i) shall not occur contemporaneously with the registration of the Transfer/Deed (and other registerable documentation); and
 - (ii) shall be governed by the Escrow Document Registration Agreement, pursuant to which the solicitor receiving the documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Escrow Document Registration Agreement.
- (c) The Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the Transfer/Deed to the Real Property for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transfer to the Vendor’s Solicitors (or in such other manner as the latter may direct) prior to the release of the Transfer/Deed for registration. The Purchaser covenants and agrees to register the Transfer/Deed to the Real Property at his or her own expense on the Title Transfer Date.
- (d) Each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Real Property may be delivered to the other party hereto by electronic transmission (or by a similar system reproducing the original of electronically signed documents through the Internet), provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same [unless the document is an electronically signed document pursuant to the *Electronic Commerce Act* of Ontario, as may be amended] to the recipient party by overnight courier sent the day after Closing, if same has been so requested by the recipient party; and
- (e) Notwithstanding anything contained in this Agreement to the contrary, but subject to the provisions of paragraph 44 above, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor’s Solicitors have:
- (i) delivered all closing documents and/or funds to the Purchaser’s solicitor in accordance with the provisions of the Escrow Document Registration Agreement or the provisions of this Agreement, and keys are made available for the Purchaser to pick up at the Vendor’s sales or customer service office or other location at the discretion of the Vendor;

- without the necessity of personally attending upon the Purchaser or the Purchaser’s solicitor with the aforementioned documents, keys and/or funds, and without any requirement to have an independent witness evidencing the foregoing.
- (f) The Purchaser covenants and agrees to direct its solicitor to provide the Vendor’s Solicitors with a copy of the registered Transfer/Deed forthwith after registration of said Transfer/Deed.

48. It is expressly acknowledged and agreed by the parties hereto that a photocopy or a scanned and e-mailed copy of this executed Agreement may be relied upon (and correspondingly enforced) to the same extent as if it were an originally-executed version.

DEFAULT AND REMEDIES

49. (a) The Purchaser shall be deemed to be in default under this Agreement in each and every one of the following events, namely:
- (i) upon the non-payment of all or any portion of the Purchase Price, or any other amount due hereunder;
 - (ii) upon a breach of, or failure in the performance or observance of any covenant, term, agreement, restriction, stipulation or provision of this Agreement to be performed and/or observed by the Purchaser; and
 - (iii) upon any lien, execution or encumbrance arising from any action or default whatsoever of the Purchaser being charged against or affecting the Real Property.
- (b) A certificate of the Vendor or an officer of the Vendor that default has been made and the date of default and that notice, if required, of such default has been given to the Purchaser, shall be conclusive evidence of the facts therein stated. If such default continues for five (5) days after written notice thereof has been given to the Purchaser or the Purchaser's solicitor by the Vendor or its solicitors (other than any default by the Purchaser on the Closing Date, for which no notice or period to remedy shall be given or required), then in addition to any other rights or remedies which the Vendor may have, the Vendor, at its option, shall have the rights and remedies as set out below.
- (c) In the event of a default by the Purchaser, then, in addition to any other rights or remedies which the Vendor may have, the Vendor, at its sole option, shall have the right to terminate this Agreement and preserve any rights the Vendor may have against the Purchaser and in such event, all monies paid hereunder (including the deposit monies paid or agreed to be paid by the Purchaser pursuant to this Agreement which sums shall be accelerated on demand of the Vendor), together with any interest earned thereon and monies paid or payable for extras or upgrades or changes ordered by the Purchaser, whether or not installed in the Dwelling, shall be forfeited to the Vendor. The Purchaser agrees that the forfeiture of the aforesaid monies shall not be a penalty and it shall not be necessary for the Vendor to prove it suffered any damages in order for the Vendor to be able to retain the aforesaid monies. The Vendor shall in such event still be entitled to claim damages from the Purchaser in addition to any monies forfeited to the Vendor. In the event the Vendor's solicitors are holding any of the deposit monies in trust pursuant to this Agreement, then in the event of a default, the Vendor's solicitors shall pay to the Vendor the said deposit monies together with any interest accrued thereon, provided the Vendor has delivered to its solicitors a certificate of the Vendor or an officer of the Vendor, certifying that the Purchaser has committed a default pursuant to this Agreement that has not been remedied and that the Vendor has terminated this Agreement and that the Vendor is therefore entitled to the said deposit monies and accrued interest, if any. Thereupon the Purchaser hereby releases the Vendor's solicitors from any obligation to hold the said deposit monies, if any, and interest, if any, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably authorizes and directs the said solicitors to deliver the said deposit monies, if any, and accrued interest, if any, to the Vendor.

- (d) It is understood and agreed that the rights contained in this Section on the part of the Vendor are in addition to any other rights (whether of a more onerous nature or not) which the Vendor may have at law, in equity or under any other provisions of this Agreement, and the Vendor expressly has the right to exercise all or any one or more of the rights contained in this Agreement, or at law or in equity, without exercising at such time, the remainder of such right or rights and without prejudice to the subsequent right of the Vendor to exercise any remaining right or rights at law, in equity or in this Agreement. In the event the Purchaser fails to make payment of any amount as and when required pursuant to the terms of this Agreement, the payment amount shall bear interest at a rate equal to eight per cent (8%) above the prime rate of the Vendor's bank, calculated from the due date to the date of payment. Prime rate for any day means the prime lending rate of interest expressed as a rate per annum (computed on a year of 365 days) which the Vendor's bank establishes from time to time as the reference rate of interest in order to determine interest rates it will charge for demand loans made in Canada in Canadian dollars as the same is in effect from time to time. In the event of any other default under this Agreement by the Purchaser the Vendor shall have the right, at its sole option, but not the obligation, to take whatever steps are necessary to correct and/or remedy such default and the Purchaser shall pay forthwith to the Vendor upon demand the costs and expenses of the Vendor in doing so plus a fifteen percent (15%) administration fee. In the event the Purchaser fails to pay any of the foregoing amounts to the Vendor after demand the Vendor shall have the right, at its option, to add any of such outstanding amounts to the Purchase Price as an adjustment on the Closing Date. In addition, in the event that the Purchaser delays the Closing Date, the Vendor shall have the right to charge Two Hundred Dollars (\$200.00) plus HST per day as liquidated damages for each day of the delay, plus the Vendor's legal fees (and ancillary costs) of Five Hundred Dollars (\$500.00) plus HST per delay towards the administration of a delayed occupancy or closing, as applicable, and to amend and/or create documentation, but without there being any obligation whatsoever on the part of the Vendor to consent to any such delays. Furthermore, the Purchaser shall pay the Vendor's solicitor's fees in the amount of Two Hundred and Fifty Dollars (\$250.00), plus applicable taxes and disbursements, for each letter or other form of notice sent to the Purchaser or the Purchaser's solicitor relating to any default by the Purchaser.
50. The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom he is in law responsible to any services installed within the Development, which services shall, without limitation, include survey stakes, landscaping, trees, curbs, curb cuts, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities. The amounts so paid by the Vendor shall form and constitute a Vendor's lien against the Real Property which Vendor's lien may be enforced in the same manner as a mortgage/charge thereon.
51. The Purchaser agrees that the Vendor shall have a Vendor's Lien on the Closing Date for unpaid purchase monies, adjustments and/or claims herein provided, together with interest thereon as set forth in paragraph 23 hereof and shall be entitled to register a Notice of Vendor's Lien against the Real Property any time after the Closing Date. Similarly, if the Purchaser was credited for the Rebate on the Closing Date but it is subsequently determined that the Purchaser does not qualify for the Rebate, the Vendor shall have a Vendor's Lien for the amount of the Rebate credited to the Purchaser, plus legal fees and disbursements incurred by the Vendor as a result of the Purchaser's improper claim for the Rebate, and the Vendor shall be entitled to register a Notice of Vendor's Lien against the Real Property. The Vendor will upon request deliver to the Purchaser for registration at the Purchaser's expense a release of the Vendor's Lien after such monies have been received by the Vendor.
52. The Purchaser hereby agrees to indemnify and save harmless the Vendor, its servants and agents, successors and assigns, from all actions, causes of action, claims and demands whatsoever for, upon or by reason of any damage, loss or injury to a person or property of the Purchaser or any of his friends, relatives, workmen, agents or anyone else for whom at law the Purchaser is responsible who have entered on the Real Property or any part of the Development whether with or without the authorization, express or implied, of the Vendor.
53. No waiver by the Vendor of any breach of covenant or default in the performance of any obligation hereunder or any failure by the Vendor to enforce its rights herein shall constitute any further waiver of the Vendor's rights herein, it being the express intent of the parties that any waiver or forbearance in enforcing its rights by the Vendor shall apply solely to that particular breach or failure.
54. Notwithstanding anything contained in this Agreement it is understood and agreed by the parties hereto that in the event that construction of the Dwelling is not completed on or before the Closing Date for any reason or in the event the Vendor cannot complete the subject transaction on the Closing Date, other than as a result of the Purchaser's default, the Vendor shall not be responsible or liable to the Purchaser in any way for any damages or costs whatsoever including without limitation loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs other than those costs set out in the Tarion Addendum.

55. (a) The Purchaser acknowledges and agrees that notwithstanding any rights which he might otherwise have at law or in equity arising out of this Agreement, the Purchaser shall not assert any of such rights, nor have any claim or cause of action whatsoever as a result of any matter or thing arising under or in connection with this Agreement (whether based or founded in contract law, tort law or in equity, and whether for innocent misrepresentation, negligent misrepresentation, breach of contract, breach of fiduciary duty, breach of constructive trust or otherwise), against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be (or may ultimately be found or adjudged to be) a nominee or agent of another person, firm, corporation or other legal entity, or a trustee for and on behalf of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action, suit, application or proceeding brought by or on behalf of the Purchaser to assert any of such rights, claims or causes of action against any such third parties.
- (b) At any time prior to the Closing Date, the Vendor shall be permitted to assign this Agreement (and its rights, benefits and interests hereunder) to any person, firm, partnership or corporation and upon any such assignee assuming all obligations under this Agreement and notifying the Purchaser or the Purchaser's solicitor of such assignment, the Vendor named herein shall be automatically released from all obligations and liabilities to the Purchaser arising from this Agreement, and said assignee shall be deemed for all purposes to be the vendor herein as if it had been an original party to this Agreement, in the place and instead of the Vendor.

57. The Purchaser agrees that keys may be released to the Purchaser at the Vendor's sales office, customer service office or construction site office upon completion of this transaction, unless otherwise determined by the Vendor. The Vendor's or its solicitors' advice that keys are available for release to the Purchaser constitutes a valid delivery of keys to the Purchaser.

ONE-TIME UNILATERAL RIGHT TO EXTEND CLOSING

59. The Vendor shall have a one-time unilateral right to extend the Closing Date for one (1) Business Day (as defined in the Tarion Addendum) to avoid the necessity of tender where the Purchaser is not ready to close on the Closing Date and delayed closing compensation will not be payable for such period.

- C.2 Although the Purchaser is not required to pay the balance due on closing upon occupancy, the Purchaser shall pay or have paid the amount set forth and in accordance with paragraph 3.2 of the Agreement, unless otherwise agreed to between the Vendor and Purchaser in writing. The Vendor may take whatever steps it deems necessary to obtain vacant possession and the Purchaser shall reimburse the Vendor for all costs it may incur.
- C.5 At or prior to the time that the Purchaser takes possession of the dwelling on the Potl, the Purchaser shall execute and deliver to the Vendor any documents, directions, acknowledgments, assumption agreements or any and all other documents required by the Vendor or any utility supplier(s) or utility monitor(s), including but not limited to a owners and/or tenant’s insurance policy (which must include third party liability and flood damage) satisfactory to the Vendor, in the same manner as if the closing of the transaction was taking place at that time.

- C.8 If the Vendor or Purchaser gives notices of termination as permitted under paragraph 6 of Schedule C to Taron Addendum or otherwise in the Agreement, the Purchaser shall give up vacant possession and pay the Occupancy Fee to such date, after which this Agreement and Occupancy Licence shall be terminated and all moneys paid to the Vendor on account of the Purchase Price shall be returned to the Purchaser without deduction, subject however, to any repair and redecorating expenses of the Vendor necessary to restore the dwelling on the Potl to its original state of occupancy, reasonable wear and tear excepted. The Vendor is not liable for the Purchaser’s loss occasioned by fire, theft or other casualty, unless caused by the Vendor’s willful conduct.

- C.12 The Purchaser shall not have the right to assign, sublet or in any other manner dispose of the Occupancy Licence during Interim Occupancy without the prior written consent of the Vendor which consent may be arbitrarily withheld, unless otherwise agreed to by the Vendor in writing. The Purchaser acknowledges that the Vendor's legal fees (and ancillary costs) will be payable to the Vendor each time the Vendor consents to the Purchaser's request to assign, sublet or dispose of the Occupancy Licence, but without there being any obligation whatsoever on the part of the Vendor to approve of, or to implement, any of the foregoing so requested.
- C.13 The provisions set forth in this Agreement, unless otherwise expressly modified by the terms of the Occupancy Licence, shall be deemed to form an integral part of the Occupancy Licence. In the event the Vendor elects to terminate the Occupancy Licence pursuant to this Agreement following substantial damage to the dwelling on the Potl, the Occupancy Licence shall terminate forthwith upon notice from the Vendor to the Purchaser. If the dwelling on the Potl can be repaired within a reasonable time following damages as determined by the Vendor (but not, in any event, to exceed one hundred and eighty (180) days) and the dwelling on the Potl is, during such period of repair uninhabitable, the Vendor shall proceed to carry out the necessary repairs to the dwelling on the Potl with all due dispatch and the Occupancy Fee shall abate during the period when the dwelling on the Potl remains uninhabitable; otherwise, the Purchaser shall vacate the dwelling on the Potl and deliver up vacant possession to the Vendor and all moneys (excluding the Occupancy Fee paid to the Vendor) shall be returned to the Purchaser without deduction. The Purchaser shall reimburse the Vendor for the cost of repairs in respect of any such damage and shall indemnify and save the Vendor harmless from and against all costs, damages, and liabilities suffered or incurred by the Vendor in having to restore the Property to the condition existing before the possession of the Property was granted to the Purchaser.

The Vendor must set a **Firm Occupancy Date** by giving proper written notice at least 90 days before the Second Tentative Occupancy Date. The Firm Occupancy Date can be up to 120 days after the Second Tentative Occupancy Date, and so could be as late as:

If the Vendor cannot provide Occupancy by the Firm Occupancy Date, then the Purchaser is entitled to delayed occupancy compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Occupancy Date.

The Vendor can set a Delayed Occupancy Date that is up to 365 days after the earlier of the Second Tentative Occupancy Date and the Firm Occupancy Date. This **Outside Occupancy Date** could be as late as:

2. Notice Period for an Occupancy Delay

Changing an Occupancy Date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Occupancy twice by up to 120 days each time by setting a Second Tentative Occupancy Date and then a Firm Occupancy Date in accordance with section 1 of the Addendum but no later than the Outside Occupancy Date.

Notice of a delay beyond the First Tentative Occupancy Date must be given no later than: (i.e., at least **90 days** before the First Tentative Occupancy Date), or else the First Tentative Occupancy Date automatically becomes the Firm Occupancy Date.

Notice of a second delay in Occupancy must be given no later than: (i.e., at least **90 days** before the Second Tentative Occupancy Date), or else the Second Tentative Occupancy Date becomes the Firm Occupancy Date.

3. Purchaser's Termination Period

If the home is not completed by the Outside Occupancy Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the "**Purchaser's Termination Period**"), which period, unless extended by mutual agreement, will end on:

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed occupancy compensation and to a full refund of all monies paid plus interest (see sections 7, 11 and 12 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Occupancy Dates and the Firm Occupancy Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home subject to all prescribed requirements, to provide Occupancy of the home without delay, and, to register without delay the declaration and description for the related common elements condominium corporation.
- (b) **First Tentative Occupancy Date:** The Vendor shall identify the First Tentative Occupancy Date in the Statement of Critical Dates attached to this Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Occupancy Date:** The Vendor may choose to set a Second Tentative Occupancy Date that is no later than 120 days after the First Tentative Occupancy Date. The Vendor shall give written notice of the Second Tentative Occupancy Date to the Purchaser at least 90 days before the First Tentative Occupancy Date, or else the First Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date.
- (d) **Firm Occupancy Date:** The Vendor shall set a Firm Occupancy Date, which can be no later than 120 days after the Second Tentative Occupancy Date or, if a Second Tentative Occupancy Date is not set, no later than 120 days after the First Tentative Occupancy Date. If the Vendor elects not to set a Second Tentative Occupancy Date, the Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the First Tentative Occupancy Date, or else the First Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. If the Vendor elects to set a Second Tentative Occupancy Date, the Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the Second Tentative Occupancy Date, or else the Second Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Occupancy Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Occupancy Date is set in accordance with section 4 or 5, then the new date is the “Firm Occupancy Date” for all purposes in this Addendum.

3. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 7.
- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event at least 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 7(c). If notice of a new Delayed Occupancy Date is not given by the Vendor, before the Firm Occupancy Date, then the new Delayed Occupancy Date shall be deemed to be the date which is 90 days after the Firm Occupancy Date.
- (d) After the Delayed Occupancy Date is set, if the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical Dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser. For greater certainty, this Addendum does not restrict any extensions of the Closing date (i.e., title transfer date) where Occupancy of the home has already been given to the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;

**Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)**

- (iii) the Purchaser acknowledges that the amendment may affect delayed occupancy compensation payable; and
- (iv) if the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.

If the Purchaser for his or her own purposes requests a change of the Firm Occupancy Date or the Delayed Occupancy Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 7 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. Yes No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

**Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)**

Condition #1 (if applicable)

Description of the Early Termination Condition:

See Appendix

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20_____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

See Appendix

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20_____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Occupancy Date, and will be deemed to be 90 days before the First Tentative Occupancy Date if no date is specified or if the date specified is later than 90 days before the First Tentative Occupancy Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act* and, if applicable, registration of a related common elements condominium corporation under the *Condominium Act, 1998*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the Occupancy Date; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy and Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 11(b) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 3(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Occupancy or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed occupancy compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 11(b), in which case, the deadline for a claim is one (1) year after termination.
- (g) If delayed occupancy compensation is payable, the Vendor shall either: pay the compensation as soon as the proper amount is determined; or pay such amount with interest (at the prescribed rate as specified in subsection 19(1) of O.Reg. 48/01 of the *Condominium Act, 1998*), from the Occupancy Date to the date of Closing, such amount to be an adjustment to the balance due on the day of Closing.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

9. Occupancy

If the Purchaser accepts or is required to accept Occupancy in advance of receiving a title transfer of the home, then the provisions of Schedule C shall apply.

MISCELLANEOUS

10. Ontario Building Code – Conditions of Occupancy

- (a) On or before the Occupancy Date, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or

Limited Use Freehold Form (Tentative Occupancy Date – POTL/CEC)

- (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and Occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for Occupancy under the Building Code, (the “Purchaser Occupancy Obligations”):
 - (i) the Purchaser shall not be entitled to delayed occupancy compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for Occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the Occupancy Date.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 3, and delayed occupancy compensation shall be payable in accordance with section 7. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an “Occupancy Permit” means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

11. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6 or Schedule C.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor’s delay in providing Occupancy alone.

12. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 11(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser’s monies shall be calculated in accordance with the *Condominium Act, 1998*.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

The arbitrator has the power and discretion to prescribe whatever procedures are useful or necessary to adjudicate the common issues in the consolidated proceedings in the most just and expeditious manner possible. The *Arbitration Act, 1991* (Ontario) applies to any consolidation of multiple arbitration proceedings.
- (c) The Vendor shall pay the costs of the arbitration proceedings and the Purchaser's reasonable legal expenses in connection with the proceedings unless the arbitrator for just cause orders otherwise.

SCHEDULE C

Terms of Occupancy Licence

If the purchaser takes Occupancy of the home before the date of Closing or is required to do so under the Purchase Agreement, then the following provisions shall apply:

1. The Purchaser shall be given Occupancy of the home on the Occupancy Date.
2. The Purchaser shall not be required to pay the balance due on the purchase price on the Occupancy Date unless the Occupancy Date is also the Closing Date.
3. The Purchaser shall pay to the Vendor a monthly **Occupancy Fee** from and after the Occupancy Date which shall not exceed an amount calculated as follows:
 - (i) interest calculated on a monthly basis on the unpaid balance of the purchase price at the prescribed rate as specified in subsection 19(1) of O.Reg 48/01 to the Condominium Act, 1998; plus
 - (ii) an amount reasonably estimated by the Vendor on a monthly basis for municipal realty taxes attributable by the Vendor to the home; plus
 - (iii) the projected monthly common expense contribution for the home's share of the common elements condominium corporation (CEC).

The Occupancy Fee shall be payable on the first day of each month in advance until the date of Closing. The Occupancy Fee is a fee for the use of the home and no part of it shall be credited as payments on account of the Purchase Price. If Occupancy does not occur on the first day of the month, the Purchaser shall pay on the Occupancy Date a pro rata amount for the balance of the month.

4. If the Vendor charges the Purchaser a monthly Occupancy Fee for longer than six (6) months and the monthly Occupancy Fee includes a projected contribution to the reserve fund for the CEC, then, with respect to the Occupancy Fee for each month after the sixth month, the Vendor shall hold in trust and remit to the CEC upon registering the declaration and description for the CEC, the portion of the monthly Occupancy Fee that represents the projected contribution to the reserve fund.
5. The Vendor, during the Purchaser's period of Occupancy,
 - (a) shall provide those services that the CEC corporation will have a duty to provide to owners after the registration of the CEC declaration and description;
 - (b) shall repair and maintain the CEC property in the same manner as the CEC corporation will have a duty to repair after damage and maintain after the registration of the CEC declaration and description;
 - (c) has the same right of entry to CEC property that the CEC corporation will have after the registration of the CEC declaration and description;
 - (d) may withhold consent to an assignment of the right to use CEC property; and
 - (e) may charge a reasonable fee for consenting to an assignment of the right to use CEC property.
6. The Vendor shall proceed with due diligence to register the CEC declaration and description. The Vendor shall, within 30 days of the registration of the CEC declaration and description, notify the Purchaser in writing of the date and instrument numbers of the registration, unless within that time the Purchaser receives a deed to the home that is in registerable form. Upon registration of the CEC declaration and description, the Vendor and Purchaser shall proceed to complete the title transfer on a date designated by the Vendor or its solicitor which shall be no later than sixty (60) days after the registration of the CEC declaration and description. If the Vendor for any reason whatsoever is unable to register the CEC declaration and description and therefore is unable to deliver a registerable Transfer/Deed to the Purchaser within twelve (12) months of the Occupancy Date, the Purchaser shall have the right for a period of 30 days after such twelve (12) month period, to give sixty (60) days written notice to the Vendor, to terminate the Occupancy licence and this Purchase Agreement. If the Purchaser gives notice of termination, the Purchaser shall give up vacant possession and pay the Occupancy Fee to the date of termination, after which this Purchase Agreement and Occupancy licence shall be terminated and section 7 of the Addendum applies.
7. The rights and duties described in section 5 above, apply despite any provision to the contrary in the *Residential Tenancies Act, 2006*.
8. The Vendor shall, on delivering to the Purchaser a Transfer Deed that is in registerable form or as soon as is practicable after delivery, refund to the Purchaser the portion of the monthly Occupancy Fee that the Purchaser has paid on account of municipal taxes attributable to the home in excess of the amount actually assessed against the home.

**Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)**

9. If the portion of the monthly Occupancy Fee that the Purchaser has paid on account of municipal taxes attributable to the home is insufficient to pay the amount actually assessed against the home, the Vendor may require the Purchaser to pay the difference between the two amounts.
10. Sections 149, 150, 151, 165, 166 and 167 and Part VII of the *Residential Tenancies Act, 2006*, do not apply to Occupancy and monthly Occupancy Fees charged under this Schedule C.
11. In accordance with section 58(1).4 of the *Residential Tenancies Act, 2006*, if the Occupancy arose by virtue of or collateral to the Purchase Agreement, then if the Purchase Agreement is terminated, the Occupancy shall correspondingly be terminated.
12. The Purchaser shall maintain the home in a clean and sanitary condition and not make any alterations or improvements without the prior written approval of the Vendor which may not be unreasonably withheld.
13. The Purchaser shall be responsible for all utility, telephone expenses, cable television service, or other charges and expenses billed directly to the occupant of the home by the supplier of such services.
14. The Purchaser shall as at the Occupancy Date insure the home for the full replacement value thereof and provide a copy of the insurance certificate to the Vendor. The Vendor is not liable for the Purchaser's loss occasioned by fire, theft or other casualty, unless caused or contributed to by the Vendor.
15. The Vendor and Purchaser may agree upon additional provisions relating to Occupancy, provided such provisions do not derogate from, do not conflict with and are not inconsistent with provisions of this Schedule C.

Warranty Information for New Homes in Parcel of Tied Land

This information sheet provides a basic overview of the warranties and protections that come with your home on a freehold parcel of tied land which is legally tied to a Common Elements Condominium Corporation. Typically, occupancy of the home is provided before the closing of the sale of the land. This warranty is provided to you **by your builder** and backed by Tarion.

Register your purchase agreement! See Important Next Steps below.

For more detailed information, please visit tarion.com and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

The Pre-Delivery Inspection (PDI)

Before you take occupancy of your unit, your builder is required to conduct a pre-delivery inspection, (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your unit, such as the ventilation and heating systems. It is also important because it gives you an opportunity to note items in your unit that are damaged, missing, incomplete, or not working properly before you take occupancy. This record is also very important as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by your occupancy and use.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should take note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking occupancy if they were missed during the PDI. If they are not addressed by your builder, you can include them in your first warranty form submission to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades.

There is more information about the PDI here:

<https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Occupancy Coverage

Your builder guarantees that your unit will be ready for you to move in by a date specified in the purchase agreement or a date that has been properly extended (if for certain reasons the original occupancy date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against Ontario's Building Code violations that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely

compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty, and the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Common Elements Not Covered

There is no Common Element warranty coverage on Common Element Condominium Corporations under the Ontario New Home Warranties Plan Act and Regulations. As a purchaser, you should take note of the common elements associated with your home, as maintenance and repair of these items may be the responsibility of the homeowners in the project, subject to the corporation's declaration. This may include shared facilities, walkways, roadways and services (e.g. water and sewage lines, garbage removal and snow removal).

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>

The Purchaser nevertheless agrees to complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor’s noise consultants or by any of the governmental authorities) may be registered on title to Potls on closings, if, in fact, same is required by any of the governmental authorities.

Benefits of the Natural Heritage System

The Natural Heritage System (NHS) is a series of interconnected natural features and areas, including wetlands, woodlands, and rivers. The NHS provides many benefits to your community including better air quality, higher water quality, attractive and aesthetically pleasing neighbourhoods, and opportunities for residents to live an active lifestyle.

Environmental management and ecological benefits include the following:

- Enhanced biodiversity by providing habitat for a variety of plants and animals.
- Linkages through residential communities necessary for the movement of wildlife.
- Buffers between urban land uses and sensitive ecological features and functions.
- Maintenance of natural groundwater levels and water temperatures in streams needed to support fish and amphibian populations.
- Filtration of pollutants and some contaminants from air and water.
- Releases oxygen into the atmosphere and removes climate altering greenhouse gases.
- Moderates the local climate by modifying solar radiation, air temperature, humidity and wind speed.
- Reduces soil erosion and runoff.
- Stabilizes natural water flows.
- Helps to mitigate greenhouse gases.
- Protects creek banks from the damaging effects of erosion.

Stormwater Management Ponds

Rainwater that flows on roads, roofs and other hard surfaces (referred to as stormwater runoff) is diverted into the drainage system, and ultimately into our creeks, wetlands and lakes. In order to protect both the urban and natural environments, Stormwater Management Ponds

are designed help prevent the damaging effects of flooding and erosion by holding back water and slowly releasing it back into streams and watercourses. These ponds also clean and filter water before it re-enters the natural system. There are no Stormwater Management Ponds required for this site, however there are Stormwater Management Ponds in the surrounding community.

Stormwater Management Pond Do's and Don'ts

- Do not swim, wade, skate or boat within the stormwater ponds.
- Be careful near the edges of stormwater ponds as conditions such as fluctuating water levels and thin ice can change quickly.
- Do not dispose of personal waste into stormwater ponds which cannot treat all contaminants.
- Actively participate in the enhancement, protection, and maintenance of your natural environment for the enjoyment of your family, your neighbours, visitors, and future generations to come!

Did You Know?

- *Dumping or disposing of any material or any waste into or near the Natural Heritage System and stormwater management features, either on public or private property is prohibited by the Town of Aurora, and will result in significant fines.*
- *The Town of Aurora and Lake Simcoe Region Conservation Authority are responsible for maintaining features in the Natural Heritage System.*

Infiltration Trenches

Infiltration trenches are excavations filled with clean granular stone or other material. They are used to manage stormwater runoff and to promote groundwater recharge. Infiltration trenches have been included at the back of some lots.

Do not remove or otherwise alter the infiltration trench on your property.

Homeowners are advised of the following notice relating to the infiltration trenches located on their properties:

Single Detached Lot (Block 13)

The above noted lots include an infiltration trench approximately 1 m wide, located approximately 0.5 m from the rear lot line and approximately 1.0 m from the side lot lines. Each infiltration trench consists of a 0.6m deep washed clearstone layer beneath the topsoil for the purpose of infiltrating of stormwater into the ground. This stormwater management infrastructure forms an integral part of the stormwater management solution for the community. These infiltration trenches cannot be interfered with, modified, or removed. Structures (including garden sheds, decks, gazebos, hot tubs, and any other accessory structures) shall not be erected or constructed, or permitted to be erected or constructed, on top of the infiltration trenches. The infiltration trenches cannot be excavated or earth extracted (below a depth of 0.15 m) for any purpose, such as tree planting, landscaping or below ground swimming pool construction. Grading within the rear yard, such as swales, which convey stormwater to the infiltration trenches, must remain in its original form.

All owners of lots containing an infiltration trench are advised that they are responsible for the long-term maintenance and cleaning of any infiltration trench that is located on their lot, to ensure that proper drainage is maintained.

Applicable Townhouse Lots

The above noted lots include an infiltration trench approximately 1m wide, located approximately 0.5 m from the rear lot line and approximately 0.5 m from the side lot lines. Each infiltration trench consists of a 0.6m deep washed clearstone layer beneath the topsoil for the purpose of infiltrating stormwater into the ground. This stormwater management infrastructure forms an integral part of the stormwater management solution for the community. These infiltration trenches cannot be interfered with, modified, or removed. Structures (including garden sheds, decks, gazebos, hot tubs, and any other accessory structures) shall not be erected or constructed, or permitted to be erected or constructed, on top of the infiltration trenches. The infiltration trenches cannot be excavated or earth extracted (below a depth of 0.15 m) for any purpose, such as tree planting, landscaping or below ground swimming pool construction. Grading within the rear yard, such as swales, which convey stormwater to the infiltration trenches, must remain in its original form.

All owners of lots containing an infiltration trench are advised that they are responsible for the long-term maintenance and cleaning of any infiltration trench that is located on their lot, to ensure that proper drainage is maintained.

Protection of the Natural Heritage System

Protection of the environment is a key component of your community. This Plan helps to ensure that the NHS functions as it would under pre-development conditions. Take the following steps to protect the Natural Heritage System:

- Keep gardens, composters and all built structures including fences, sheds, tree houses, kennels and pools within your property limits. Natural areas are not extensions of your property. Do not encroach onto public natural areas.
- Do not remove vegetation from the Natural Heritage System or any public property. The Town enforces this through fines.
- Disposal of composting, yard waste or soil materials in natural areas may introduce harmful, invasive, non-native plant species.
- Direct pool water discharge to the street and away from the Natural Heritage System to avoid damaging vegetation and causing erosion along valley slopes.
- Do not alter drainage on your property. This can lead to erosion and cause changes to plant communities dependent on the natural grade for water distribution.

Living with Wildlife

People and wild animals live side by side. Coyote sightings have occurred in the Town of Aurora over the past several years. Coyotes are important for helping to control populations of rabbits, rats and mice. Encounters with all wildlife can be positive experiences that contribute to a pleasurable living environment. Take a few simple steps to help reduce human conflict with wildlife:

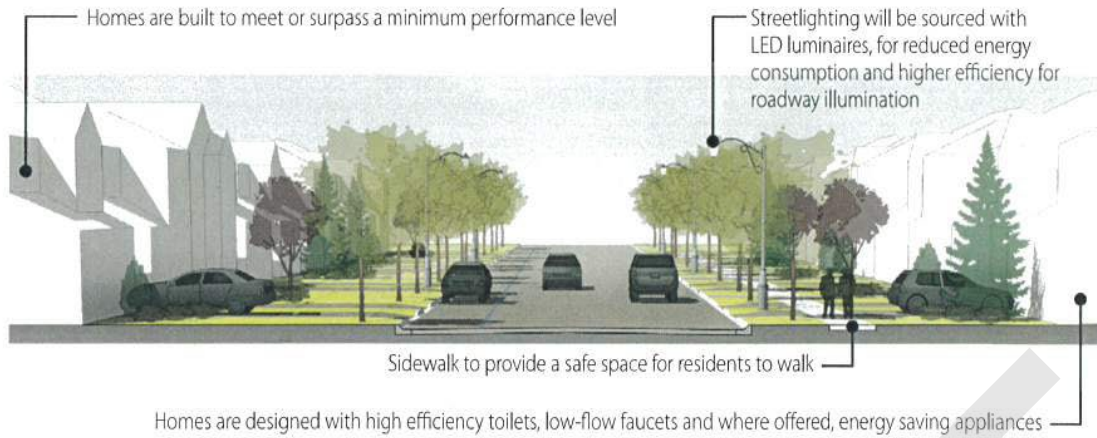

- Remove sources of food by protecting pets, fencing gardens, securing and storing garbage in animal-proof containers within an enclosed area on your property such as a shed or garage.
- Do not feed, approach or handle any wildlife. They may appear docile under normal conditions but they may become aggressive when approached or handled by a human.
- Do not rescue young animals as most often young wildlife will be retrieved by their parents.
- Keep all pets on leashes or confined within your yard.
- Use environmentally friendly, non-toxic wildlife repellent on plants and flowers.
- Use motion-sensitive lights or sprinklers to deter wildlife.
- Keep areas on your property near buildings free from clutter, cut down grass and weeds, and repair any openings under buildings where wildlife may make a home.
- Instead of using chemicals consider installing screened outdoor seating areas and/or use bug repellent to enjoy time outdoors.

Improving Water Quality

Natural areas are dependent on suitable water quality and quantity to thrive. As a homeowner, how you use water impacts the quality of water that feeds and supports nearby streams, wetlands, woodlands, and wildlife habitat.

- Plant gardens with plants that require minimal irrigation and increase rainfall infiltration into the ground, thereby resulting in less runoff.
- Reduce or eliminate use of pesticides, fertilizers, insecticides and de-icing agents that runoff from your property into the stormwater system.
- Use organic, non-toxic alternatives to pesticides, fertilizers, insecticides and wildlife repellent for your lawn and garden.
- Shovel as quickly as possible after a snowstorm, brush off sidewalks with a broom, and use an icebreaker to reduce the use of salt and de-icers.
- Sweep leaves, dirt and garbage away from street drains to prevent clogging storm sewer catch basins and constricting flow into connecting streams and ponds.
- Do not dump household cleaners, paints or other chemicals down the sink, toilet or storm sewer. These items should be disposed of at no cost at a household hazardous waste depot.
- Consider building a wooden deck or using permeable surface material such as interlocking brick for your driveway or patios to ensure that rainwater infiltrates into the ground, thus reducing storm water runoff.

Landscaping Your Property

Design your yard with a more naturalized approach in order to attract birds, butterflies and other wildlife while improving water and air quality. There are many benefits associated with native / non-invasive plant species of trees, shrubs, perennials, shade-tolerant groundcover and vines.

- Offer protection, shade, nesting areas or homes for birds and other small wildlife.
- Require little to no maintenance and are easier to care for, without the need for pesticides, excessive malignance or heavy watering.
- Contact Lake Simcoe Region Conservation Authority or the Town of Aurora Parks and Recreation Services for further information on appropriate plant species.
- Noise and light from your property near natural heritage areas can be detrimental to wildlife behavior and reproductive success. Consider this when using your property.
- As outlined within the executed Subdivision Agreement, the Town of Aurora's Fill By-law and Ontario Regulation 179/06 under the Conservation Authority Act, you shall not carry out or cause to be carried out any site alteration on your property without a permit.

For further information on municipal boulevard trees, refer to the Town of Aurora Boulevard Trees brochure provided with this Homeowners Information Package.

...we take pride in our parks.

The Town of Aurora is committed to healthy and inclusive lifestyles inspired by its natural heritage, historic culture, diverse community and natural environment. Information on recreation facilities including parks, playgrounds, sports fields, basketball and tennis courts, fitness stations, skateboard facilities, as well as seasonal uses such as splash pads, outdoor ice rinks and tobogganing locations is kept up-to-date in the Town's Streets, Parks & Trails Map online. For parks planned specifically within this community, please see the Built/Planned Parks Plan:

The Town of Aurora's Trails Master Plan includes more than 25 kilometres of recreation trails including the Nokiidaa and Oak Ridges Moraine Trails that connect the many parks distributed throughout Aurora. In addition, more trails located adjacent to your community are planned to connect parks located specifically within the surrounding community to actively promote alternative modes of transportation including walking and biking. Trails intersect with municipal sidewalks on public streets to provide a full pedestrian circulation system. Major streets provide sidewalks with municipal boulevard trees that enhance the pedestrian environment.

These trails within your community may also link to other trails and amenities such as the Stronach Aurora Recreation Complex. Respect nature by staying on designated trails, as walking through vegetation can destroy plants, disrupt wildlife habitat and compact the soil.

Park and Trail Etiquette

- Always stay on marked trails for your own safety and that of the NHS. Use of natural areas within the Natural Heritage System can result in severe degradation of the health of desired tree and shrub populations.
- Always 'stoop and scoop' and dispose of pet waste properly.
- Keep your pets on a leash as they can be destructive to plants and wildlife. For further information on pet control bylaws, please contact Town of Aurora Building and Bylaw Services.
- Prepare for the weather: wear sunscreen, bring water, watch for slippery surfaces, wear appropriate footwear, and dress to suit the temperature.
- Be courteous to other trail users.
- Carry identification and a cell phone when using any trail.
- By law, all Ontario cyclists under the age of 18 years old must wear a helmet. They are also recommended for cyclists over 18 years old.
- Cyclists must yield to pedestrians or other cyclists, and alert them from behind upon approach.
- Be a predictable cyclist by following rules, obeying signs and signaling your intentions.
- The use of motorized vehicles is strictly prohibited on any municipal trail or park land.

The Town of Aurora and York Region provides your community with a full range of recycling and waste services. Together, the Region and the Town are working towards a goal of zero waste, using methods outlined in a SM4RT Living Plan. This Plan focuses on waste reduction, reuse and influencing behavioral change.

Composting

Residents are encouraged to use a backyard composter to produce excellent soil conditioner that will improve your soil, and to reduce kitchen and yard waste disposal. Backyard composters are available for purchase from your local hardware stores or from the Town of Aurora's Joint Operations Centre located at 229 Industrial Parkway North from Monday to Friday, between the hours of 8:30am and 4:30pm.

The Town holds an annual Free Compost Giveaway Day, where you are able to pick up free, nutrient-rich compost just in time for the gardening season. Please see the Town's Waste Management Guide and Recycling Calendar for the date of this event.

Compost is an effective natural fertilizer for plants in your garden!

- *Dig the compost into the earth before planting flowers and vegetables.*
- *Use compost as mulch to top-dress around plants and trees to help retain moisture, smother weeds and prevent soil compaction.*
- *Screen and use compost on your lawn or as part of a seed starting mix.*

Collection Calendar

The recycling / green bins provided to each homeowner are picked up weekly. Garbage is currently collected every second week on the same day. Recycling paper products, glass, metals and plastics reduces both pollution and the water we use. A Waste Management Guide & Recycling Calendar is available on the Town's website or the "Recycle Coach" app.

Recycle Coach is on a mission to give people the tools and education they need to become pro-recyclers. With Recycle Coach, every person in every municipality can effectively contribute to a smarter, cleaner, and healthier municipalities.

Available to download as a smartphone app and accessible as a web-app, Recycle Coach utilizes technology to make it easier for the average person to recycle correctly. The platform offers useful features that residents can access for proper waste removal. Features available to all New Jersey municipalities are:

- **Calendars:** See your collection schedule for the entire year and stay updated on upcoming recycling events and special collections in your community.
- **Reminders:** Get personalized collection and event reminders by push notification or email, and learn about schedule changes when they happen
- **"What Goes Where?" Material search:** Find disposal information and set-out instructions for thousands of items in your community; waste less and recycle more with helpful tips and tricks.
- **Drop-off information:** Get directions, hours of operation, and more for local drop-off depots.
- **Problem Reporting:** Municipalities can choose to let residents report missed collections, vandalism, and more through the app
- **Admin Portal:** Recycling Coordinators can manage news and notifications to send to residents' smartphones. Find reports and insights into your residents' behaviours and the items they are engaging with the most, as well as what they may be confused about.

The platform is tailored to each local community and allows local municipalities to have constant and easy communication with residents, while making it much easier for residents to recycle.

The available language for Aurora residents are: English, Arabic, Spanish, Persian, French, Italian, Russian, and Chinese.
