- d) Subject to Schedule "H" attached hereto the Purchaser acknowledges that the Purchase Price has been calculated on the basis of the Vendor receiving the full benefit of the Rebate in an amount applicable as of the date of execution of this Agreement. If the Vendor does not receive the benefit of the Rebate, whether or not as a result of the Purchaser's acts or omissions, the Purchase Price shall be increased by the amount of the Rebate not received.

3. CONSTRUCTION MATTERS

3.1 Construction Completion

- 3.1.1 The Purchaser acknowledges that the dwelling will be constructed substantially in accordance with plans and specifications to be filed with the Building Department of the municipality in which the building is located and in accordance with the *Ontario Building Code* and that the Purchaser shall have no claims against the Vendor for any higher or better standards of workmanship or materials than required in such plans and specifications and pursuant to the *Ontario Building Code*. The foregoing shall constitute complete and absolute acceptance by the Purchaser of all construction matters, and the quality and sufficiency thereof, including, without limitation, all mechanical, structural and architectural matters. The Purchaser agrees that the foregoing may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title against the Vendor. Subject to TARION, the Vendor reserves the right to make changes to the plans and specifications and/or substitute materials provided that such materials are substantially equal in quality to the materials so replaced and the Purchaser shall have absolutely no claim or cause of action against the Vendor for any such changes, variances or modifications, nor shall the Purchaser be entitled to any notice thereof.
- 3.1.2 Without limiting the generality of the foregoing, the Purchaser acknowledges and agrees as follows:
 - a) the Vendor shall have the right to construct the reverse mirror image of the dwelling type, including reversal of the garage siting and reversal of the interior floor plan layout, without notice to the Purchaser and without compensation or abatement to the Purchase Price.
 - b) as of the date of this Agreement, the final site plan relating to the lands showing the actual siting of the dwelling on the lands may not have been completed by the Vendor or approved by all governmental authorities. Consequently, the Purchaser acknowledges and agrees that the Vendor shall have the right to construct the dwelling type on the lands in a location or angle different and relocate sidewalks or fences other than as depicted in the sales brochures, renderings and other plans and specifications reviewed by the Purchaser at the time of entering into this Agreement, without notice to the Purchaser and without compensation or abatement to the Purchase Price.
 - c) the Purchaser hereby acknowledges that, as of the date of this Agreement, final grading plans relating to the lands may not have been completed by the Vendor or approved by all governmental authorities. Consequently, the Purchaser acknowledges and agrees that the Vendor shall have the right to construct the dwelling type at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications reviewed by the Purchaser at the time of entering into this Agreement, without notice to the Purchaser and without compensation or abatement to the Purchase Price.

- d) in the event this Agreement calls for the construction of a deck or patio and such is not possible, the Purchaser hereby irrevocably agrees to accept such change without notice, without any right of abatement to the Purchase Price and in full satisfaction of the Vendor's obligations with respect to the construction of the dwelling. In the event that this Agreement does not call for a deck or patio and such is required by the municipality pursuant to final approved grading, engineering and/or site plans, the Purchaser shall pay to the Vendor the additional cost involved in constructing the deck or patio, which shall be determined by the Vendor in its sole and absolute discretion.
- e) in the event that the dwelling type is constructed at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications reviewed by the Purchaser at the time of entering into this Agreement necessitating a step or series of steps to the front door, side door, rear door or any other door of the dwelling in addition to any changes in windows, side or garage access doors the Purchaser hereby irrevocably agrees to accept such change without notice, without any right of abatement to the Purchase Price and in full satisfaction of the Vendor's obligations with respect to the construction of the dwelling.
- f) the Purchaser acknowledges that the dimensions of the Property and the square footage of the dwelling are approximate only. In the event that the frontage, depth or area of the Property and/or the square footage of the dwelling as a whole are varied by up to and including five percent (5%) from the specifications set out in this Agreement, the Purchaser acknowledges and agrees to accept all such variations without notice and without a claim for compensation or abatement to the Purchase Price.
- g) the Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as cushion floor, carpet, floor tiles, roof shingles, brick, aluminum or vinyl siding, bath tubs, water closets, sinks and other such products where the product manufacturer establishes the standard for such finishes. The Vendor is also not responsible for colour variations in natural products or the finishes on natural products such as, but not limited to, marble, granite, hardwood flooring, kitchen cabinets, wood stair railings, spindles, trim as well as stains or finishes applied to any of the aforesaid which colours may vary when finishes are applied to them. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as, but not limited to, plastic toilet seats, china toilets, enamel tubs, melamine cabinet finishes and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. In the event the purchaser requests loop type "berber" carpet, the purchaser acknowledges that seams may be visible; and shall sign a waiver of such upon selection of colours.
- h) in the event, the Purchaser purchases granite or quartz countertop(s), the Purchaser acknowledges that the granite or quartz can come with shade, veining, and pattern variances from one end of the slab to the other and requires frequent applications of sealant in order to properly maintain the countertop(s). The Purchaser further acknowledges that joints in granite or quartz countertop(s) are visible to the touch and sight joints are at the sole discretion of the fabricator.
- i) in addition, the following alterations and adjustments may be made by the Vendor to the lot and model type selected by the Purchaser for any reason, and the Purchaser agrees that such alterations and adjustments for all purposes are minor and permissible, and the Purchaser shall accept the dwelling constructed on the Property with any or all of the following alterations and adjustments, without compensation or abatement (which alterations and adjustments the Purchaser hereby irrevocably authorizes the Vendor to complete): (a) a change in the front elevation of the Property that results in an increase or decrease in the number of steps to the front door and any change to the grading which affects or alters the steps or entry to the dwelling from the front door to the lot line of the Property; (b) the deletion or addition or relocation of any and all entry doors to the garage; (c) the relocation or the lowering of the elevation of any other entry doors into the dwelling or the elevation of the laundry area or the elimination of laundry room door(s); (d) the addition or deletion of steps into any and all of the rear yard, the side yard and the garage; (e) the installation of thresholds dividing rooms or living areas required by differences in surface elevations or floor materials; (f) the substitution of a door for a patio door, or a patio door for a door; (g) the substitution of a door or patio door for a window, or a window for a door or patio door; (h) the construction of the dwelling reversed to the layout shown on the floor plans (mirror image which may cause side windows to align with neighboring home's windows); (i) any reduced or increased ceiling heights; (j) changes in the location of the furnace, fireplace, water tank, or other services; (k) a reduction or increase in the area of the dwelling of up to five percent (5%), using HCRA's published uniform method for the calculation of floor area (and in addition to the equivalency tolerances provided for by such method); (l) any changes either before or after approval of the plans imposed by the municipality, developer or the architectural control architect or imposed by

any architectural controls, including without limitation any change to external elevations of the dwelling or the elimination of walkouts and/or lookouts; (m) the installation of catchbasins, as completed in compliance with the grading and drainage requirements of the Vendor and/or the municipality; (n) sunken foyers, rooms or other areas of the dwelling as a result of grading changes; (o) variation of rooflines which may differ from those shown on plans; (p) any other change that does not materially diminish the value of the Property or substantially objectively alter the dwelling; (q) any other substitution by the Vendor permitted under this Agreement; and (r) any other change that the Vendor's architect in his unfettered discretion considers minor and permissible, and the statutory declaration of the architect or his employee in charge of the project shall be deemed to be conclusive and binding on the Purchaser.

- j) lot sizes and dimensions are also subject to change without notice provided that they are not substantially varied and, without limiting the foregoing, any decrease of less than 10% of any single lot dimension or of less than 10% of the total lot area will not be considered a substantial variation.

3.1.3 The Purchaser agrees to complete the transaction without holdback of any part of the Purchase Price. The Vendor and Purchaser shall complete on or before the Closing Date the Pre-delivery Inspection Form as called for pursuant to TARION.

3.1.4 The Purchaser will accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers in full satisfaction of the Purchaser's rights under *The Construction Act* and will not claim any lien holdback on the Closing Date.

3.2 Siting

If the dwelling type described herein cannot be sited or built on the Property in accordance with the requirements of the municipality or any architectural control committee having jurisdiction in respect of the Property, the Vendor or Purchaser may cancel this Agreement and shall be entitled to a refund of any deposit(s) paid, without interest, but in no event shall the Vendor or the Vendor's agent be liable for any damages or costs whatsoever.

3.3 Construction, Siting and Grading Acceptance

3.3.1 The Purchaser agrees that acceptance of construction, site and grading by the municipality and/or the subdivider's consulting engineers shall conclusively constitute acceptance by the Purchaser.

3.3.2 The Vendor shall have the sole right (subject to architectural control requirements) to choose the exterior colour package including type, colour and texture of materials including, without limitation, brick for the dwelling to be erected. Should the original colours chosen by the Vendor not be available at the time of construction, the Vendor shall have the right to substitute alternative available materials provided that the alternate materials are of equal quality. The Vendor agrees to notify the Purchaser of any required changes as soon as the need for such required changes becomes known to the Vendor.

3.3.3 The Purchaser acknowledges that certain lots within the subdivision may require catch basins in the rear yard and associated leads and that hydro transformers, street light poles and hydrants will front onto certain lots (including the Property) and sidewalk locations and fences are subject to change subject to 3.3.1 above within the subdivision.

3.4 Features and Specifications

Included in the Purchase Price are the specification features listed in Schedule "B", which forms part of this Agreement.

3.5 Extras or Changes Requested by Purchaser

- a) The Purchaser covenants and agrees to pay the Vendor at the time of request for any and all extras or changes specifically ordered by the Purchaser failing which, the Vendor shall have no obligation to provide the requested extras or changes.
- b) The Purchaser acknowledges that the selection of optional extras, upgrades and options for the dwelling can affect the marketability and saleability of the Property in the event the Purchaser defaults hereunder. The Purchaser agrees that before accepting any order for extras, upgrades and options, the Vendor may, at its option, require evidence of the Purchaser's continuing financial ability to complete the transaction. If such evidence is not satisfactory to the Vendor, in its sole, subjective and absolute discretion, the Vendor may refuse to accept any or all such orders for extras, upgrades and options and the dwelling will be completed in accordance with the original terms hereof.

3.6 Colour Selection

- 3.6.1 In the event that the Purchaser shall have made a choice of colours and/or materials from either the Vendor's samples or otherwise as aforesaid and because of lack of supply the installation of such colour choice and material cannot be completed in accordance with the Vendor's construction schedule, the Purchaser shall choose alternate colours and materials within three (3) days and in the event the Purchaser fails to make an alternate selection as aforesaid, the Vendor shall have the option of choosing the colours and materials and the Purchaser shall be obligated to accept same.
- 3.6.2 In the event that the Purchaser shall not have made his selection within fourteen (14) days after the acceptance of this Agreement by the Vendor or an extended date acceptable to the Vendor, then the Vendor shall have the option of choosing the colours and materials for and on behalf of the Purchaser and the Purchaser agrees to accept same.
- 3.6.3 In the event that the Purchaser has installed or has requested the Vendor to install, a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement, "floor covering" shall mean any type of finished floor covering which is normally placed on the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, marble, terrazzo and carpet.
- 3.6.4 Where omissions occur on the original colour selection sheet, the Purchaser acknowledges that selection by the Vendor will be final.
- 3.6.5 Upgrades listed on a standard colour chart will not be deemed to be part of this Agreement.
- 3.6.6 The Purchaser agrees that if after having made the original colour selections the Purchaser does make a change erroneously or otherwise, he will be deemed responsible for all errors resulting from any double selections.
- 3.6.7 The Purchaser further agrees that in the event that the Vendor has preselected colours prior to the purchase herein of the Property, the prescribed colours shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.
- 3.6.8 In the event that any of the terms and conditions stated on the Customer Request for Optional Extras ("B" Sheet) form (the "Purchaser's Extras Contract") are in conflict or contradiction of any terms or conditions stated in this Agreement, it is hereby agreed that the terms and conditions stated on the Purchaser's Extras Contract shall take precedence over the terms and conditions of this Agreement.
- 3.6.9 The Purchaser may not change its original selections (including, among other things, materials and colours) without the approval of the Vendor in its sole, subjective and absolute discretion, in which event the Vendor shall be entitled to charge an administration fee of \$500.00 (plus HST) in addition to the price of the revised selections.
- 3.6.10 If there is more than one Purchaser, each Purchaser appoints each other Purchaser as his or her representative and agent with full authority to make colour/material selections and to enter into additional agreements for optional extras. As a result any such selections or agreements for extras made by any one Purchaser shall be binding on all other Purchasers as if they had made such selections or entered into such agreements themselves.

4. GRADING AND DRAINAGE MATTERS AND THE VENDOR'S RIGHT TO RE-ENTER

4.1 Sodding and Paving

The Purchaser acknowledges that the grading, paving, and sodding shall be done between June and October of any year as per the Vendor's scheduling program. The Purchaser agrees that he shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be the latter, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod, the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser. In the event the Vendor is providing the final coat of asphalt in the driveway, the Vendor shall be obligated to pave once and such paving it is agreed shall occur within 24 months after the base coat of asphalt is provided, subject to weather conditions and any excessive settlement that may occur.

Alteration

4.1.1 The Purchaser agrees not to alter the grading of the Property in any way which will affect its surface drainage pattern or that of the adjoining lots and promises not to widen or alter driveways or curbs, construct any fences, patios, sheds or similar structures without the written consent of the Vendor up to the date on which the subdivision is assumed by the municipality. Any breach of this covenant which requires rectification may be carried out by the Vendor, subdivider, or municipality at the sole expense of the Purchaser, payable forthwith upon demand. The Purchaser further agrees not to install any foundation planting with six feet (6') of any external wall or to finish the whole or any part of the basement of the dwelling for a period of twenty-four (24) months after the Closing Date or install any air conditioning units on the side of the house whereby it would obstruct access to the rear yard and interfere with the completion of tree grading or landscaping of the lot. A breach of either of the above terms relieves the Vendor of any obligation to rectify any basement water leakage or seepage which result or damage caused thereby. If the Purchaser installs asphalt on the Property after the Closing Date but prior to the assumption of the plan of subdivision by the municipality, and if there has been any subsidence or settlement of the Property under or about such asphalt, which subsidence or settlement must be remedied prior to the assumption of the plan of subdivision by the municipality, such subsidence or settlement shall be remedied by the Purchaser, at the sole expense of the Purchaser, within thirty (30) days of receiving notice in writing of the necessity to remedy such subsidence or settlement, failing which, the subdivider or Vendor may remedy such subsidence or settlement at the sole expense of the Purchaser plus a fee equal to fifteen percent (15%) of such expense. Purchaser acknowledges that he is not permitted to encroach (which may include, but is not limited to: extensions of structures, walls, fences, plantings, sports equipment, landscaping, etc.) on municipal property from the front, sides or rear of the Purchaser's yard. Please note that the municipality's realty department regulates and manages encroachments and will require purchasers/tenants to remove any encroachment and/or comply with the encroachment standards set forth by the municipality.

4.1.2 The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to improvements and chattels or damage caused by the remedying of any deficiencies or warranted items. The Vendor is not responsible for the repair or rectification of any exterior work resulting from minor and ordinary settlement, including driveways, walkways, patio stones or sodded areas or for any damage to interior household improvements or decor caused by material shrinkage, twisting or warpage. Provided further, the Vendor shall not be liable for any secondary or consequential damages whatsoever which may result from any defect in materials, design or workmanship related to the Property and the Vendor's only obligation shall be to rectify the defect pursuant to the terms of this Agreement. In the event that after taking possession of the dwelling, the Purchaser shall complete and/or install any improvements, additions or alterations thereto, including, but not limited to, finishing basement, wallpapering, cabinetry and/or mouldings and/or finishings, the Purchaser shall be required to remove such improvements, additions or alterations at his own expense, in the event that the Vendor shall be required to carry out any repairs or replacements to the dwelling in the area of such improvements, additions or alterations. The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all actions, causes of action, claims and demands for, upon or by reason of any damage or injury to person or property of the Purchaser, or any of his friends, relatives, workmen or agents who have entered on the Property or any part of the subdivision of which the Property forms a part whether with or without the authorization, express or implied, of the Vendor.

4.2 **Vendor's Right to Enter on Property**

Notwithstanding the closing of this transaction, the Purchaser's covenants and agreements contained in this Agreement shall not merge. The Vendor, the subdivider, the municipality/region or their respective servants or agents may, until that date upon which the municipality/region accepts all of the services within the subdivision of which the Property forms a part and releases the Vendor and/or the subdivider from all obligations in connection therewith, enter upon the Property at all reasonable hours in order to carry out any lot grading work which in the opinion of the Municipal/Region Engineer or Director of Public Works may be required and to inspect, repair, complete, maintain or rectify construction, grade and undertake modifications to the surface drainage, including installation of catch basins, and including construction and maintenance of fences, if any, constructed by the Vendor or the subdivider in accordance with municipal requirements or in accordance with the Vendor's own design plan.

5. OCCUPANCY MATTERS

- 5.1 The Purchaser will not occupy the dwelling until the municipality consents if such consent is required, and the Vendor and Purchaser hereby agree to postpone the Closing Date until such consent is given.
- 5.2 The Purchaser acknowledges that if it is the policy of the municipality to issue occupancy permits or certificates, such permits or certificates may not be available for delivery to the Purchaser on the Closing Date. Provided that the dwelling has been inspected and approved for occupancy by the municipality on or before the Closing Date, the Purchaser shall accept the undertaking of the Vendor to provide a copy of the occupancy permit or certificate to be issued by the municipality as soon as possible following the Closing Date.
- 5.3 The Purchaser covenants to occupy the dwelling forthwith after the Closing Date.

6. TARION

6.1 Membership

The Vendor hereby advises the Purchaser that it is a registered builder under the provisions of TARION and/or HCRA, as applicable.

6.2 Enrolment

The Vendor hereby warrants that the premises are or will be enrolled under TARION.

6.3 Certificate of Completion and Possession

- 6.3.1 The Purchaser agrees to meet the Vendor's representative prior to the Closing Date to inspect and to list all items remaining uncompleted at the time of such inspection and mutually agreed deficiencies in the dwelling, on the Vendor's certificate, which certificate shall be executed by both the Purchaser and the Vendor's representative forthwith after such inspection, and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work or in respect of any aspect of the construction of the dwelling (the "Pre-delivery Inspection Form"). The Purchaser further agrees that the Vendor shall have the right to enter upon the Property after the Closing Date, if necessary, in order to complete such items as are included in the Pre-delivery Inspection Form. Such work shall be completed by the Vendor within a reasonable time after the Closing Date, having regard to weather conditions and the availability of supplies and labour. The Purchaser acknowledges and agrees that no further request for completion or correction of items may be maintained by the Purchaser, and this shall serve as a good and sufficient release of the Vendor in that regard.
- 6.3.2 It is understood and agreed that in no event shall the Purchaser be entitled to obtain possession of the Property unless and until the Purchaser has inspected the dwelling, and completed and executed the Pre-delivery Inspection Form. Failure by the Purchaser to complete an inspection of the dwelling and to complete and execute the Pre-delivery Inspection Form prior to the Closing Date, shall constitute default by the Purchaser hereunder and the Vendor may at its option, (and without prejudice to any other rights which the Vendor may have on the Purchaser's default), terminate this Agreement and retain the deposit(s) paid by the Purchaser as liquidated damages and not as penalty.
- 6.3.3 The Vendor covenants and agrees to issue the TARION Certificate of Completion and Possession / Warranty Certificate ("CCP") in favour of the Purchaser. The Vendor further covenants to deliver a copy of the TARION Home Owner Information Package to the Purchaser at or before the inspection referred to in Section 6.3.1 above. The Purchaser acknowledges that the CCP will be issued by the Vendor prior to or on the Closing Date and issuance of the CCP shall not be a condition of closing. The CCP, administered by TARION shall constitute the Vendor's only warranty, express or implied, in respect of any aspect of construction of the dwelling and further shall be the full extent of the Vendor's liability for defects in materials or workmanship or damage, loss or injury of any sort, delay or otherwise with respect to the dwelling, the Property and the relationship between the Purchaser and the Vendor, whether arising in tort or in contract. The Purchaser is urged to review the CCP, particularly its exclusions, and to be aware that the Vendor is not liable for loss or damage to any landscaping, furnishing or improvement by the Purchaser caused either by any defect for which the Vendor is responsible or by the remedying of such defect.

7. TITLE MATTERS

7.1 Requisitions to Title

Provided that the title is good and free from all encumbrances, save as aforesaid, and except as to any registered restrictions or covenants that run with the land provided that such are complied with. The Purchaser acknowledges that he will satisfy himself that all such restrictions, agreements or covenants have been complied with. The Purchaser is not to call for the production of any title deed or abstract or other evidence of title except such as are in the possession of the Vendor. The Vendor shall deliver to the Purchaser a survey of the Property prior to the Closing Date. The Purchaser is to be allowed until thirty (30) days prior to the Closing Date to examine the title at his own expense. If within that time any valid objection to title is made in writing to the Vendor's Solicitor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate negotiations in respect of such objections, be null and void and the deposit(s) shall be returned to the Purchaser without interest or deduction, other than the cost of putting the premises back into their original state, reasonable wear and tear excepted, and save for any extras ordered by the Purchaser, and the Vendor shall not be liable for any costs or damages. Save as to any valid objections so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor.

7.2 Restrictions, Easements, Subdivision Agreements

- 7.2.1 The Purchaser agrees to accept title subject to the following:

- a) any subdivision, development, site plan, servicing agreement, condominium or like agreement with the municipality in which the Property is located, or any governmental authority having jurisdiction over the Property;
- b) any easements, licenses or encroachment agreements for the installation and maintenance of any public or other utilities including, without limitation, telephone, hydro, gas, sewer, water and cablevision or master antenna T.V. distribution system; and
- c) all restrictions, rights-of-way, easements, agreements, maintenance easements as provided in the subdivision agreement or any other including without limitation, any encroachment agreements, conditions or covenants that run with the land as prescribed by the municipality and/or the regional authorities.

- 7.2.2 The Purchaser acknowledges and agrees that the retention by the municipality or by any other relevant government authorities of security that is satisfactory to such municipality and/or government authorities intended to guarantee the fulfillment of any outstanding obligations under the municipal agreements shall for the purposes of the within Agreement be deemed to be satisfactory compliance with the terms and provisions of the municipal agreements. The Vendor shall not be obligated to obtain nor register releases of any agreements or restrictions as aforesaid and the Purchaser shall satisfy himself concerning compliance therewith. The Purchaser agrees to observe and comply with the terms and provisions of all agreements, restrictions and covenants registered on title.

- 7.2.3 The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and/or the subdivider may apply for a re-zoning with respect to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, and the Purchaser, and his heirs, executors, administrators, successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser and his heirs, executors, administrators, successors and assigns to such re-zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property.

7.2.4 The Purchaser acknowledges that the subdivision agreement entered into between the Vendor and/or the subdivider and the municipality may require the Vendor to provide the Purchaser with certain notices, including, but not limited to, land usage, maintenance of municipal fencing, school transportation (including the bussing or transportation of students to schools outside of the neighbourhood), noise levels from adjacent roadways, noise and/or vibration levels from nearby railway lines, the absence of door-to-door mail delivery, the absence of local or neighbourhood schools, the location of "super mailboxes", which may be included on the Property or on the boulevard adjacent to the Property, and in general, any other matter that may be deemed by the municipality to inhibit or interfere with the enjoyment by the Purchaser of the Property. The Purchaser agrees to be bound by the contents of the subdivision agreement or any other municipal agreement wherein such warning clauses are more fully set out and the Purchaser covenants to execute forthwith upon request by the Vendor and in any event, at least twenty-one (21) days prior to the Closing Date, an acknowledgement of receipt by the Purchaser of such notices and/or an amendment to this Agreement including such warning clauses and all schedules, plans statement attached to the agreement and as required by the subdivision agreement, and the Purchaser's acknowledgement of receipt of same.

7.3 Title Transfer and Purchaser Acting through Agent or Multiple Purchasers

At its sole option, the Vendor may direct the developer (subdivider) to transfer title on the Closing Date directly to the Purchaser in which case the Purchaser agrees to accept such direct transfer and further agrees to provide to the Vendor on the Closing Date a form or acknowledgment acknowledging and confirming that the dwelling purchased has not been constructed by the developer (subdivider) and that the developer (subdivider) is in no way responsible for the construction of the dwelling, grading of the Property or any matter related hereto and has no liability to the Purchaser with respect to the same. For greater certainty for the purposes of the foregoing the developer and/or subdivider is the registered owner of the Property, if the Vendor is not the registered owner, and/or the party who entered into obligations with the municipality for subdivision or servicing of the Property.

The Purchaser agrees that any person who takes title to the Property as a beneficiary and/or pursuant to a Direction or Authorization signed by the Purchaser shall be deemed for all purposes to have signed this Agreement through the agency of the Purchaser, or to be the partner of the Purchaser, and to be jointly and severally bound by this Agreement. In doing so, the Purchaser acknowledges that this may result in the ineligibility for the Rebates (as defined and further described in Section 2.7 of this Schedule "A" to this Agreement).

Notwithstanding any other term in this Agreement, the Vendor may demand as a condition precedent to the Vendor's obligation to close, that any person referred to as a beneficiary and/or in a Direction or Authorization as a person to be named as a Transferee shall sign an Acknowledgement on the Vendor's form agreeing to be bound by this Agreement.

7.4 Consent

The Purchaser further acknowledges and agrees to consent to the granting of any such easements, rights-of-way or licenses and to execute all documents and do all other necessary acts, without payment, as may be required to give effect to the foregoing, whether before or after the Closing Date.

8. PRIOR MORTGAGES

8.1 The Purchaser acknowledges that the Property may be encumbered by mortgages, charges, debentures or trust deeds (the "encumbrances") which are not intended to be assumed by the Purchaser and that the Vendor shall not be obliged to obtain and register a partial discharge of such encumbrances insofar as it or they affect(s) the Property until sixty (60) days after the Closing Date. The Purchaser agrees to accept the Vendor's Solicitor's Undertaking on the Closing Date to obtain and register partial discharges of such encumbrances in accordance with the terms of this paragraph provided that the following shall be delivered to the Purchaser or his solicitor on or before the Closing Date: a mortgage statement or letter from the holder of such encumbrance with respect to the Property; a Direction to pay any necessary funds to the holder of such encumbrance on the Closing Date to obtain the partial discharge of the encumbrance; and the Vendor's Solicitor's Undertaking to deliver the said funds to the holder of such encumbrance and to register the partial discharges upon receipt and advise concerning registration particulars. The Purchaser agrees to pay as an adjustment on the Closing Date the costs incurred by the Vendor to obtain and register partial discharges of such encumbrances, whether such partial discharges are registered prior to the Closing Date, on the Closing Date, or after the Closing Date, in the amount of \$150.00 plus HST per partial discharge, as outlined in the TARIION Schedule "O-B" attached hereto.

the Purchaser with respect to such extras and/or upgrades, and the Purchaser acknowledges that the Vendor's liability with respect to such extras and/or upgrades shall be limited to the return of the amounts referred to aforesaid and, upon such payment being made or credit being given, the Vendor shall be released from any and all obligations, claims or demands whatsoever with respect thereto. In the event, no such amount was paid or quantified in the Schedule "E" or the B-Sheet, no refund or credit shall be paid to the Purchaser and no further compensation shall be owed by the Vendor;

Under no circumstances will the Purchaser perform or cause to be performed any work of any nature on or to the Property prior to the conveyance thereof to the Purchaser and, in the event of a breach of this covenant, the Vendor, in addition to any other rights and remedies to which it is entitled, may take whatever steps it deems necessary, in its sole, subjective and absolute discretion, to remove, correct or remedy any such work and the cost and expenses thereof plus a fifteen percent (15%) administration fee (plus HST) shall be paid by the Purchaser forthwith upon demand to the Vendor or, at the Vendor's option, charged as an adjustment on the Closing Date, as outlined in the TARION Schedule O-B attached hereto; and

SCHEDULE “H”

The parties acknowledge and agree that, subject to the last paragraph of this Schedule "H", the purchase price stipulated in the within Agreement is inclusive of the Net Amount of Goods and Services Tax/Harmonized Sales Tax ("HST") which would otherwise be payable by the Purchaser pursuant to the appropriate HST legislation. For the purposes hereof, "HST" means the tax payable under Section 165 of the Excise Tax Act (Canada) including the provincial component thereof payable under Subsection 165(2), if applicable.

The term "Net Amount of HST" shall mean the total amount of HST payable by the Purchaser, up to a maximum of the rate being charged, or to be charged, as of the date of execution of this Agreement, less any refunds, credits, rebates or the like ("Rebates") to which the Purchaser is entitled under the HST legislation, which Rebates may be reasonably estimated by the Vendor if necessary. The Purchaser shall, both before and after closing, on demand of the Vendor, execute and deliver to the Vendor any assignments, directions, applications, consents, declarations, undertakings and other documents required by the Vendor to enable the Vendor to apply for and receive the Rebates.

The Purchaser covenants, warrants and represents that the Purchaser is an individual who is eligible for the HST new housing rebate and/or, subject to Schedule "H1" attached hereto, the additional new housing rebate as a first-time home buyer, as the case may be, and is acquiring this property for use as a primary place of residence, and shall execute all documents and do all such things so as to fully cooperate with the Vendor in any manner which would legally minimize the amount of the HST payable.

Notwithstanding that the purchase price stipulated in the within Agreement is inclusive of the Net Amount of HST payable, the Purchaser shall, at its own cost and expense, be responsible for payment of HST on all closing adjustments and amounts payable for extras and any increase in the rate of HST after the date hereof.

If the Purchaser is not entitled to the HST new housing rebate for any reason whatsoever or if the said rebate is reduced or withdrawn by the applicable government authority and not replaced with an amount equivalent to the amount of the rebate to which the Purchaser is entitled by the applicable government authority, or if the said rebate is not or cannot be assigned to the Vendor then, the Purchaser shall forthwith upon demand by the Vendor pay to the Vendor an amount equal to the Rebates or the amount so reduced or withdrawn and until so paid, the amount of the Rebates shall form a charge against the property which charge shall be recoverable by the Vendor in the same manner as a mortgage in default. The Purchaser acknowledges and agrees that he shall not be entitled to any refund, credit or abatement in any manner whatsoever should the provincial portion of the HST not apply to this transaction for any reason whatsoever.

FTHB GST REBATE

The Government of Canada introduced legislation to provide a rebate of the GST for first time home buyers of new home purchases with a purchase price under \$1,500,000.00 (the “**FTHB GST Rebate**”). The legislation has not yet been enacted and may contain further or revised terms and conditions other than as listed herein. The Vendor understands that the following will be required, at a minimum and there could be other criteria, in order for a freehold dwelling purchase to qualify for the FTHB GST Rebate:

- Available to first-time home buyers, currently defined by the Government of Canada as:
 - at least 18 years of age;
 - either a Canadian citizen or a permanent resident of Canada; and
 - has not have lived in a home, whether in or outside of Canada, that they owned or that their spouse or common-law partner owned in the calendar year or in the four preceding calendar years.
- The FTHB GST Rebate would allow an individual to recover up to \$50,000 of the GST (or the federal part of the HST) paid in respect of a new home purchased from a builder.
- To qualify for a FTHB GST Rebate, at least one of the purchasers of the home would need to be a “first-time home buyer” that is acquiring the new home for use as their primary place of residence. That individual would also need to be the first individual to occupy the home as a place of residence.
- The FTHB GST Rebate would be phased out in a linear manner for new homes with a purchase price between \$1,000,000.00 and \$1,500,000.00. For example, under the linear phase-out, a home with a purchase price of \$1,250,000.00 would be eligible for 50% of the FTHB GST Rebate (a FTHB GST Rebate of up to \$25,000).
- There is no FTHB GST Rebate for homes with a purchase price at or above \$1,500,000.00.
- The Agreement of Purchase and Sale must have been entered into on or after May 27, 2025.

Subject to the following, the Vendor is prepared to provide the Purchaser with a credit equal to the FTHB GST Rebate on the Statement of Adjustments if:

1. The Purchaser qualifies for the FTHB GST Rebate, and provides all evidence requested by the Vendor and/or required by the legislation or regulations thereunder, which is satisfactory to the Vendor to prove that the Purchaser qualifies for the FTHB GST Rebate, and the Purchaser completes and submits any forms, applications, information or declarations as may be requested or required (as determined by the Vendor acting reasonably) from time to time, in a timely fashion;
2. The Purchaser, the project, transaction and the dwelling, as the case may be, qualifies for the FTHB GST Rebate; and
3. The legislation and regulations thereunder permits the assignment and/or transfer of the benefit of the FTHB GST Rebate to the Vendor as determined by the Vendor acting reasonably, and the Purchaser assigns or transfers the benefit of the FTHB GST Rebate to the Vendor or as it may in writing direct in a manor satisfactory to the Vendor.

If the legislation and regulations thereunder do not permit the assignment or transfer of the benefit of the FTHB GST Rebate to the Vendor, the Purchaser will be entitled to apply for it separately after closing, if available, and there will be no credit in the Statement of Adjustments. In the event the FTHB GST Rebate is not credited to the Purchaser on closing, and the Purchaser advises the Vendor it is entitled to same, the Vendor hereby agrees to provide such further reasonable documentation following closing to assist the Purchaser in its application for the FTHB GST Rebate, without any liability therefor.

The Vendor makes no representation that the Purchaser, this transaction or the project will qualify for the FTHB GST Rebate and/or that the Government of Canada will enact legislation or regulations in this regard.

- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

- (i) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ☐ Yes ☒ No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20_____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____ The date by which Condition #2 is to be satisfied is the _____ day of _____, 20_____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a predelivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your first warranty form submission to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here:

<https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code.

- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you.

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope.
- Covers defects in work and materials in the electrical, plumbing, and heating delivery and distribution systems.
- Covers defects in work and materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding).
- Protects against violations of Ontario's Building Code that affect health and safety.

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty – not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>

SCHEDULE “W”
WARNING CLAUSES AND NOTICE PROVISIONS

The purchaser acknowledges receipt of the following Warning Clauses and Notice Provisions:

The Purchaser/Tenants acknowledge that the Subdivision Agreement and the Site Plan Agreement entered into between the subdivider and the municipality may require the Vendor to provide the Purchaser/Tenants with certain notices, including, but not limited to, land usage, maintenance of municipal fencing, school transportation (including the bussing or transportation of students to schools outside of the neighbourhood), noise levels from adjacent roadways, noise and/or vibration levels from nearby railway lines, the absence of door-to-door mail delivery, the absence of local or neighbourhood schools, the location of “super mailboxes”, fencing, street trees, catch basins, all of which may be included on the property or on the boulevard adjacent to the property, and in general, any other matter that may be deemed by the municipality to inhibit or interfere with the enjoyment by the Purchaser/Tenants of the property. The Purchaser/Tenants agree to be bound by the contents of the Subdivision Agreement or any other municipal agreement wherein such warning clauses are more fully set out and the Purchaser/Tenants covenants to execute forthwith upon request by the Vendor, an acknowledgment of receipt by the Purchaser of such notices and/or an amendment to this Agreement including such warning clauses and all schedules, plans, statements attached to the agreement and as required by the subdivision agreement, and the Purchaser’s acknowledgment of receipt of same.

The Purchaser further acknowledges that it is anticipated by the Vendor that in connection with the Vendor’s application to the appropriate governmental authorities for draft subdivision, draft plan of condominium and site plan approval, as well as other development agreements, certain warnings and other requirements may be imposed upon the Vendor by various governmental authorities as well as certain revisions to the warnings contained in this schedule. These requirements and revisions (collectively, the “**Requirements**”) usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the buildings to major streets, garbage storage and pickup, school transportation, and similar matters). Accordingly, the Purchaser covenants and agrees that: (i) the Vendor shall be permitted to provide the Purchaser with notice of any such Requirements and such Requirements shall be deemed to form part of the Agreement of Purchase and Sale; (ii) on any closing date, as determined by the Vendor, the Purchaser shall execute any and all documents required by the Vendor acknowledging, inter alia, that the Purchaser is aware of the Requirements and that the Requirements form part of the Agreement of Purchase and Sale; and (iii) if the Vendor is required to incorporate the Requirements into any development agreement, the Purchaser shall accept the same, without in any way affecting this transaction.

PART 1 – GENERAL NOTICE PROVISIONS

The following Warning Clauses and Notice Provisions are for the information of purchasers and tenants of all lots to be shown on Registered Plan 65MXXXX (hereinafter referred to as “Lots”).

A. DRAFT PLANS

Purchasers/Tenants are hereby advised that the Vendor’s marketing material and site drawings and renderings (“**Marketing Material**”) which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the final review and approval of any applicable governmental authority and the Vendor’s design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor’s obligations hereunder.

Purchasers/Tenants are hereby advised and put on notice that noise attenuation barriers, trees, retaining walls, meters, metering structure, light fixtures, perimeter fencing, decorative fencing, privacy fencing, catch basins, water mains and landscaping may be located within the lands comprising their Lots. Such installations shall not be altered or removed. It shall be the responsibility of owners of Lots to maintain and repair any such installations located within their Lots.

Purchasers/Tenants are hereby advised and agree that the Vendor (and any of its authorized agents, representatives and/or contractors) shall be permitted to enter Lots after closing from time to time in order to enable the Vendor to correct outstanding deficiencies or incomplete work for which the Vendor is responsible.

Purchasers/Tenants are hereby advised that their Lots may be subject to various easements in the nature of a right of way in favour of the adjacent condominium, utility suppliers, governmental authorities, adjoining and/or neighbouring landowners for utilities, services, construction and to permit ingress and egress to those properties.

Purchasers/Tenants are hereby advised and agree to be solely responsible for watering of all sod and for general maintenance of all hard and soft landscaping within their Lots.

B. ASSUMPTION OF THE SUBDIVISION

Purchasers/Tenants are advised the “Assumption of the Subdivision” by the Town may not occur until 5 years after occupancy and to that the conditions of the Subdivision Agreement must be complied with prior to assumption by the Town.

C. NOISE

Purchasers/Tenants are hereby advised and agree that the Plan of Subdivision will be developed in accordance with any requirements that may be imposed, from time to time, by any of the governmental authorities. The Purchaser/Tenant further acknowledges that the proximity of the Subdivision to major arterial roads (namely, Wellington Street East, Bayview Avenue and Leslie Street) as well as to public transit services and buses, may result in noise and/or vibration transmissions to the Property, and may cause noise exposure levels affecting the Property to exceed the noise criteria established by the governmental authorities, and that despite the inclusion of noise control features within the Plan of Subdivision, noise levels from the aforementioned sources may continue to be of concern, occasionally interfering with some activities of the residential dwelling occupants. The Purchaser nevertheless agrees to complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor's noise consultants or by any of the governmental authorities) may be registered on title to the Lots on closings, if, in fact, same is required by any of the governmental authorities.

Purchasers/Tenants are hereby advised that the maintenance of the noise attenuation feature or fencing shall not be the responsibility of the Town of Aurora, or the Regional Municipality of York and shall be maintained by the Owner until assumption of the services of the Plan. Thereafter the maintenance of the noise attenuation feature or fencing shall be the sole responsibility of the owners of the applicable Lots. Landscaping provided on Regional Road rights-of-ways by the Owner or the Town for aesthetic purposes shall be approved by the Region and maintained by the Town except for usual grass maintenance.

Purchasers are advised that noise, traffic, light and/or odour levels from nearby office, commercial and/or retail businesses (including Magna International and Magna Golf Club), as well as fire hall, schools and hospital, may be of concern and occasionally interfere with some activities of the dwelling occupants. Purchasers are advised that sound levels may exceed the Municipality's and the Ministry of Environment's noise criteria.

Purchasers are advised that a undeveloped open space is located in proximity to the development, and therefore, noise, odour, light and/or activity may be noticeable from such areas and may occasionally interfere with some activities of the dwelling occupants and tenants, and visitors, guests and invitees thereof. Purchasers acknowledge that they have considered the proximity of their dwellings to such open space.

D. CANADA POST

Purchasers/Tenants are hereby advised that mail delivery will be from a designated Community Mailbox as per requirements dictated by Canada Post. The location of the mailbox shall be shown on the community plan provided by the Owner in its Sales Office.

E. FENCING, GATES, RETAINING WALLS, etc.

Purchasers/Tenants are hereby advised that fencing along the lot lines of Lots and Blocks abutting public lands may be a requirement of this Plan of Subdivision and that all required fencing, noise attenuation feature and barriers shall be constructed with all fencing materials, including foundations, completely on private lands and totally clear of any 0.3 metre reserve.

Purchasers/Tenants are hereby advised that lots and/or blocks within the Plan of Subdivision may require the construction or installation of a retaining wall, entry gate features, fences, noise barrier, drainage easements, culverts, drains or catch basins.

Purchasers/Tenants are hereby advised that the owner from time to time of any lot or block upon which a retaining wall, noise barrier or fences have been constructed shall be responsible to maintain same.

F. DRAINAGE

Purchasers/Tenants are hereby advised that certain Lots are designed as split drainage lots. Consequently, the rear of these Lots will drain via backyard swales to rear lot catch basins to be installed at the rear of the adjacent condominium townhouse blocks.

G. ENGINEERING DESIGN

Purchasers/Tenants are hereby advised that based on current servicing plans, underground services (including hydro, water and gas systems), street furniture and fixtures, including without limitation, hydro transformers, street lighting, light standards, fire hydrants, and cable, telephone and/or tap boxes may be adjacent to or located within their Lots. The Vendor reserves the right to re-locate such services if it deems it necessary or expedient to do so, in its sole, absolute and unreviewable discretion.

Purchasers and/or tenants are advised that this Plan of Subdivision is designed to include rear lot catchbasins. The rear lot catchbasin is designed to receive and carry only clean stormwater. It is the homeowner's responsibility to maintain the rear lot catchbasin in proper working condition by ensuring that the grate is kept clear of ice, leaves and other debris that would prevent stormwater from entering the catchbasin. The locations of rear lot catchbasins are subject to change without notice.

H. TRAFFIC CALMING DEVICES

Purchasers/Tenants are hereby advised that this development may be required to accommodate traffic calming devices which may include any or all of the following: median islands, chicanes, lay-bys, bump-outs, speed humps or other similar devices as determined by the Town of Aurora. The location of these devices will directly affect the on-street parking supply and driveway access in the vicinity of these devices. The decision to provide for traffic calming shall be at the sole discretion of the Town of Aurora.

I. UTILITIES

Purchasers/Tenants are hereby advised that the Telecommunications Act and the CRTC authorize telephone and telecommunication facilities and services to be provided by telecommunication carriers other than traditional carriers for such services and that purchasers and tenants are advised to satisfy themselves that such carriers servicing the lands provide sufficient service and facilities to meet their needs.

Purchasers/Tenants are hereby advised that all Lots are intended to have gas, water and hydro meters servicing the Lots, which may be located outside either at the front or rear of each dwelling, but are subject to approval and/or variation by utility and governmental authorities. Alternatively, such meters may be “ganged” together and attached to or in proximity to the exterior of dwellings. The location of the utility meters is currently preliminary and subject to approval and/or variation by the local utilities.

Purchasers/Tenants are hereby advised that the hot water heater and related equipment within the Lots may be rented/leased and the Purchaser agrees on or before closing to enter into a lease agreement with such company selected by the Vendor for the lease of same, to execute such documents and other assurances as are required to give effect to same and to be responsible for the costs related thereto. It is possible that said water heater will be a tankless or demand-type water heater.

J. LANDSCAPING AND SODDING

Purchasers/Tenants are advised of any sodding or other landscaping provisions, including the planting of trees to be completed on such lot, and that the conveyance to the purchaser reserves a license to the subdivider to enter on the said lot for the purpose of completing, maintaining or repairing such projects.

K. LOT GRADING

Purchasers/Tenants are advised that it may be necessary for the subdivider, in order to comply with the grading requirements of the Town, to enter upon said Lands in order to complete or alter the grading of such lot and that the conveyance to the purchaser reserves a license to the subdivider to enter upon said Lands in order to complete or alter any of the grades on the said lot as may be required by the Town in order to provide proper drainage to any of the Lots.

L. SIDEWALKS

Purchasers/Tenants are advised that sidewalks may be installed in front of the Lot being sold.

M. LOCATION OF PUBLIC PARKS AND WALKWAYS

Purchasers/Tenants are advised that the location of any public park and public walkways will be clearly indicated on any plans that may be used by the subdivider, the builder or their real estate agent so that the purchaser is clearly aware of the location of such public parks and public walkways in respect to the lot being purchased by such person.

PART 2 – SPECIFIC NOTICE PROVISIONS

Purchasers are specifically advised that the following warning clauses are not yet final and are subject to supplement, update or revision, notice of which may be provided in same manner as the other “Requirements” as set out in the first paragraphs of this Schedule “W”.

A. SUBDIVISION AGREEMENT

The following warning clauses may be required to be included in all offers of purchase and sale, in accordance with the Draft Subdivision Agreement dated February 2, 2022, as may be supplemented, updated and/or revised:

"There may be utilities, service boxes, hydrants, mailboxes, or other municipal services constructed adjacent to or upon boulevards in the vicinity of your dwelling. In addition, grading of the subject or neighbouring properties may require the construction of swales, slopes, retaining walls, rear yard catchbasins, fencing, or other devices. Certain services are not assumed by the Town. Such services are more particularly described under the terms of the Subdivision Agreement. For more detailed information please contact the Engineering Division of the Town of Aurora."

2. In accordance with subsection 3.41 of this Agreement, the Owner shall include in each Offer to Purchase Agreement for all lots and blocks on M-Plan A.1, the following warning clause:

"Purchasers and/or tenants are advised that proper grading of all lots and blocks on the M-Plan in conformity with the grading plans is a requirement of the subdivision agreement in which the Town has taken a Letter of Credit from the Owner as security to ensure that all municipal services including, but not limited to lot grading, are constructed to the satisfaction of the Town. A direct cash deposit security from the Purchaser for lot grading purposes is not a requirement of the subdivision agreement. Should such deposit/security be requested by the Owner/Developer from Purchasers, the Town is not responsible for the collection, administration, or release of such deposit/security."

Benefits of the Natural Heritage System

The Natural Heritage System (NHS) is a series of interconnected natural features and areas, including wetlands, woodlands, and rivers. The NHS provides many benefits to your community including better air quality, higher water quality, attractive and aesthetically pleasing neighbourhoods, and opportunities for residents to live an active lifestyle.

Environmental management and ecological benefits include the following:

- Enhanced biodiversity by providing habitat for a variety of plants and animals.
- Linkages through residential communities necessary for the movement of wildlife.
- Buffers between urban land uses and sensitive ecological features and functions.
- Maintenance of natural groundwater levels and water temperatures in streams needed to support fish and amphibian populations.
- Filtration of pollutants and some contaminants from air and water.
- Releases oxygen into the atmosphere and removes climate altering greenhouse gases.
- Moderates the local climate by modifying solar radiation, air temperature, humidity and wind speed.
- Reduces soil erosion and runoff.
- Stabilizes natural water flows.
- Helps to mitigate greenhouse gases.
- Protects creek banks from the damaging effects of erosion.

Stormwater Management Ponds

Rainwater that flows on roads, roofs and other hard surfaces (referred to as stormwater runoff) is diverted into the drainage system, and ultimately into our creeks, wetlands and lakes. In order to protect both the urban and natural environments, Stormwater Management Ponds are designed help prevent the damaging effects of flooding and erosion by holding back water and slowly releasing it back into streams and watercourses. These ponds also clean and filter water before it re-enters the natural system. There are no Stormwater Management Ponds required for this site, however there are Stormwater Management Ponds in the surrounding community.

Stormwater Management Pond Do's and Don'ts

- Do not swim, wade, skate or boat within the stormwater ponds.
- Be careful near the edges of stormwater ponds as conditions such as fluctuating water levels and thin ice can change quickly.
- Do not dispose of personal waste into stormwater ponds which cannot treat all contaminants.
- Actively participate in the enhancement, protection, and maintenance of your natural environment for the enjoyment of your family, your neighbours, visitors, and future generations to come!

Did You Know?

- *Dumping or disposing of any material or any waste into or near the Natural Heritage System and stormwater management features, either on public or private property is prohibited by the Town of Aurora, and will result in significant fines.*
- *The Town of Aurora and Lake Simcoe Region Conservation Authority are responsible for maintaining features in the Natural Heritage System.*

Infiltration Trenches

Infiltration trenches are excavations filled with clean granular stone or other material. They are used to manage stormwater runoff and to promote groundwater recharge. Infiltration trenches have been included at the back of some lots.

Do not remove or otherwise alter the infiltration trench on your property.

Homeowners are advised of the following notice relating to the infiltration trenches located on their properties:

The above noted lots include an infiltration trench approximately 1 m wide, located approximately 0.5 m from the rear lot line and approximately 1.0 m from the side lot lines. Each infiltration trench consists of a 0.6m deep washed clearstone layer beneath the topsoil for the purpose of infiltrating of stormwater into the ground. This stormwater management infrastructure forms an integral part of the stormwater management solution for the community. These infiltration trenches cannot be interfered with, modified, or removed. Structures (including garden sheds, decks, gazebos, hot tubs, and any other accessory structures) shall not be erected or constructed, or permitted to be erected or constructed, on top of the infiltration trenches. The infiltration trenches cannot be excavated or earth extracted (below a depth of 0.15 m) for any purpose, such as tree planting, landscaping or below ground swimming pool construction. Grading within the rear yard, such as swales, which convey stormwater to the infiltration trenches, must remain in its original form.

All owners of lots containing an infiltration trench are advised that they are responsible for the long-term maintenance and cleaning of any infiltration trench that is located on their lot, to ensure that proper drainage is maintained.

Protection of the Natural Heritage System

Protection of the environment is a key component of your community. This Plan helps to ensure that the NHS functions as it would under pre-development conditions. Take the following steps to protect the Natural Heritage System:

- Keep gardens, composters and all built structures including fences, sheds, tree houses, kennels and pools within your property limits. Natural areas are not extensions of your property. Do not encroach onto public natural areas.
- Do not remove vegetation from the Natural Heritage System or any public property. The Town enforces this through fines.
- Disposal of composting, yard waste or soil materials in natural areas may introduce harmful, invasive, non-native plant species.
- Direct pool water discharge to the street and away from the Natural Heritage System to avoid damaging vegetation and causing erosion along valley slopes.

- Do not alter drainage on your property. This can lead to erosion and cause changes to plant communities dependent on the natural grade for water distribution.

Living with Wildlife

People and wild animals live side by side. Coyote sightings have occurred in the Town of Aurora over the past several years. Coyotes are important for helping to control populations of rabbits, rats and mice. Encounters with all wildlife can be positive experiences that contribute to a pleasurable living environment. Take a few simple steps to help reduce human conflict with wildlife:

- Remove sources of food by protecting pets, fencing gardens, securing and storing garbage in animal-proof containers within an enclosed area on your property such as a shed or garage.
- Do not feed, approach or handle any wildlife. They may appear docile under normal conditions but they may become aggressive when approached or handled by a human.
- Do not rescue young animals as most often young wildlife will be retrieved by their parents.
- Keep all pets on leashes or confined within your yard.
- Use environmentally friendly, non-toxic wildlife repellent on plants and flowers.
- Use motion-sensitive lights or sprinklers to deter wildlife.
- Keep areas on your property near buildings free from clutter, cut down grass and weeds, and repair any openings under buildings where wildlife may make a home.
- Instead of using chemicals consider installing screened outdoor seating areas and/or use bug repellent to enjoy time outdoors.

Improving Water Quality

Natural areas are dependent on suitable water quality and quantity to thrive. As a homeowner, how you use water impacts the quality of water that feeds and supports nearby streams, wetlands, woodlands, and wildlife habitat.

- Plant gardens with plants that require minimal irrigation and increase rainfall infiltration into the ground, thereby resulting in less runoff.
- Reduce or eliminate use of pesticides, fertilizers, insecticides and de-icing agents that runoff from your property into the stormwater system.
- Use organic, non-toxic alternatives to pesticides, fertilizers, insecticides and wildlife repellent for your lawn and garden.
- Shovel as quickly as possible after a snowstorm, brush off sidewalks with a broom, and use an icebreaker to reduce the use of salt and de-icers.
- Sweep leaves, dirt and garbage away from street drains to prevent clogging storm sewer catch basins and constricting flow into connecting streams and ponds.
- Do not dump household cleaners, paints or other chemicals down the sink, toilet or storm sewer. These items should be disposed of at no cost at a household hazardous waste depot.
- Consider building a wooden deck or using permeable surface material such as interlocking brick for your driveway or patios to ensure that rainwater infiltrates into the ground, thus reducing storm water runoff.

Landscaping Your Property

Design your yard with a more naturalized approach in order to attract birds, butterflies and other wildlife while improving water and air quality. There are many benefits associated with native / non-invasive plant species of trees, shrubs, perennials, shade-tolerant groundcover and vines.

- Offer protection, shade, nesting areas or homes for birds and other small wildlife.
- Require little to no maintenance and are easier to care for, without the need for pesticides, excessive malignance or heavy watering.
- Contact Lake Simcoe Region Conservation Authority or the Town of Aurora Parks and Recreation Services for further information on appropriate plant species.
- Noise and light from your property near natural heritage areas can be detrimental to wildlife behavior and reproductive success. Consider this when using your property.
- As outlined within the executed Subdivision Agreement, the Town of Aurora's Fill By-law and Ontario Regulation 179/06 under the Conservation Authority Act, you shall not carry out or cause to be carried out any site alteration on your property without a permit.

For further information on municipal boulevard trees, refer to the Town of Aurora Boulevard Trees brochure provided with this Homeowners Information Package.

we take pride in our parks.

The Town of Aurora is committed to healthy and inclusive lifestyles inspired by its natural heritage, historic culture, diverse community and natural environment. Information on recreation facilities including parks, playgrounds, sports fields, basketball and tennis courts, fitness stations, skateboard facilities, as well as seasonal uses such as splash pads, outdoor ice rinks and tobogganing locations is kept up-to-date in the Town's Streets, Parks & Trails Map online. For parks planned specifically within this community, please see the Built/Planned Parks Plan:

The Town of Aurora's Trails Master Plan includes more than 25 kilometres of recreation trails including the Nokiidaa and Oak Ridges Moraine Trails that connect the many parks distributed throughout Aurora. In addition, more trails located adjacent to your community are planned to connect parks located specifically within the surrounding community to actively promote alternative modes of transportation including walking and biking. Trails intersect with municipal sidewalks on public streets to provide a full pedestrian circulation system. Major streets provide sidewalks with municipal boulevard trees that enhance the pedestrian environment.

These trails within your community may also link to other trails and amenities such as the Stronach Aurora Recreation Complex. Respect nature by staying on designated trails, as walking through vegetation can destroy plants, disrupt wildlife habitat and compact the soil.

Park and Trail Etiquette

- Always stay on marked trails for your own safety and that of the NHS. Use of natural areas within the Natural Heritage System can result in severe degradation of the health of desired tree and shrub populations.
- Always 'stoop and scoop' and dispose of pet waste properly.
- Keep your pets on a leash as they can be destructive to plants and wildlife. For further information on pet control bylaws, please contact Town of Aurora Building and Bylaw Services.
- Prepare for the weather: wear sunscreen, bring water, watch for slippery surfaces, wear appropriate footwear, and dress to suit the temperature.
- Be courteous to other trail users.
- Carry identification and a cell phone when using any trail.
- By law, all Ontario cyclists under the age of 18 years old must wear a helmet. They are also recommended for cyclists over 18 years old.
- Cyclists must yield to pedestrians or other cyclists, and alert them from behind upon approach.
- Be a predictable cyclist by following rules, obeying signs and signaling your intentions.
- The use of motorized vehicles is strictly prohibited on any municipal trail or park land.

The Town of Aurora and York Region provides your community with a full range of recycling and waste services. Together, the Region and the Town are working towards a goal of zero waste, using methods outlined in a SM4RT Living Plan. This Plan focuses on waste reduction, reuse and influencing behavioral change.

Composting

Residents are encouraged to use a backyard composter to produce excellent soil conditioner that will improve your soil, and to reduce kitchen and yard waste disposal. Backyard composters are available for purchase from your local hardware stores or from the Town of Aurora's Joint Operations Centre located at 229 Industrial Parkway North from Monday to Friday, between the hours of 8:30am and 4:30pm.

The Town holds an annual Free Compost Giveaway Day, where you are able to pick up free, nutrient-rich compost just in time for the gardening season. Please see the Town's Waste Management Guide and Recycling Calendar for the date of this event.

Compost is an effective natural fertilizer for plants in your garden!

- *Dig the compost into the earth before planting flowers and vegetables.*
- *Use compost as mulch to top-dress around plants and trees to help retain moisture, smother weeds and prevent soil compaction.*
- *Screen and use compost on your lawn or as part of a seed starting mix.*

Collection Calendar

The recycling / green bins provided to each homeowner are picked up weekly. Garbage is currently collected every second week on the same day. Recycling paper products, glass, metals and plastics reduces both pollution and the water we use. A Waste Management Guide & Recycling Calendar is available on the Town's website or the "Recycle Coach" app.

Recycle Coach is on a mission to give people the tools and education they need to become pro-recyclers. With Recycle Coach, every person in every municipality can effectively contribute to a smarter, cleaner, and healthier municipalities.

Available to download as a smartphone app and accessible as a web-app, Recycle Coach utilizes technology to make it easier for the average person to recycle correctly. The platform offers useful features that residents can access for proper waste removal. Features available to all New Jersey municipalities are:

- **Calendars:** See your collection schedule for the entire year and stay updated on upcoming recycling events and special collections in your community.
- **Reminders:** Get personalized collection and event reminders by push notification or email, and learn about schedule changes when they happen
- **"What Goes Where?" Material search:** Find disposal information and set-out instructions for thousands of items in your community; waste less and recycle more with helpful tips and tricks.
- **Drop-off information:** Get directions, hours of operation, and more for local drop-off depots.
- **Problem Reporting:** Municipalities can choose to let residents report missed collections, vandalism, and more through the app
- **Admin Portal:** Recycling Coordinators can manage news and notifications to send to residents' smartphones. Find reports and insights into your residents' behaviours and the items they are engaging with the most, as well as what they may be confused about.

The platform is tailored to each local community and allows local municipalities to have constant and easy communication with residents, while making it much easier for residents to recycle.

The available language for Aurora residents are: English, Arabic, Spanish, Persian, French, Italian, Russian, and Chinese.

Alternatives to Curbside Waste Collection

Elgin Mills Community Environmental Centre

The Elgin Mills Community Environmental Centre located at 1124 Elgin Mills Road East in the Town of Richmond Hill provides residents with a convenient location to drop off a variety of reusable, recyclable materials and waste including those not easily managed through the current waste collection program such as bulky materials, shredded paper and electronics.

Textile Collection

The Town of Aurora continues their efforts to divert textiles from landfill, through an ongoing partnership with Diabetes Canada and Cornerstone to Recovery.

Donation bins are located across the Town, where you can donate clothing and textiles. Stained or torn textiles are also accepted, however, donated textiles must be dry and free of any medical or hazardous liquids.

Drop off your donations at one of the bins, or schedule a free home pickup at declutter.diabetes.ca. Locations are listed in the Town's Waste Management Guide and Recycling Calendar.

Electronic Waste

Electronic waste (e-waste) is any electronic equipment in your home that no longer works and cannot be repaired. E-waste should not be thrown in the garbage as these items contain materials considered to be hazardous.

E-waste can be disposed of at the East Gwillimbury Household Hazardous Waste and Recycling Depot, the Elgin Mills Community Environmental Centre and the Georgina Transfer Station, the locations of which are shown on the map on the next page.

The Town of Aurora holds three e-waste events a year where you can get rid of your unwanted e-waste. Please see the Town's Waste Management Guide and Recycling Calendar for the dates of these events.
